## Royal Palaces Of France:

*Royal Palaces of France* Ian Dunlop,1985      Royal Palaces and Parks of France Milburg Francisco Mansfield,1910-01-01

The modern traveller sees something beyond mere facts Historical material as identified with the life of some great architectural glory is something more than a mere repetition of chronologies the sidelights and the co related incidents though indeed many of them may be but hearsay are quite as interesting quite as necessary in fact for the proper appreciation of a famous palace or chateau as long columns of dates or an evolved genealogical tree which attempts to make plain that which could be better left unexplained The glamour of history would be considerably dimmed if everything was explained and a very seamy block of marble may be chiselled into a very acceptable statue if the workman but knows how to avoid the doubtful parts An itinerary that follows not only the ridges but occasionally plunges down into the hollows and turns up or down such crossroads as may have chanced to look inviting is perhaps more interesting than one laid out on conventional lines A shadowy something which for a better name may be called sentiment if given full play encourages these side steps and since they are generally found fruitful and often not too fatiguing the procedure should be given every encouragement Not all the interesting royal palaces and chateaux of France are those with the best known names Not all front on Paris streets and quays no more than the best glimpses of ancient or modern France are to be had from the benches of a sight seeing automobile Versailles and even Fontainebleau are too frequently considered as but the end of a half day pilgrimage for the tripper It were better that one should approach them more slowly and by easy stages and leave them less hurriedly As for those architectural monuments of kings which were tuned in a minor key they at all events need to be hunted down on the spot the enthusiast being forearmed with such scraps of historic fact as he can gather beforehand otherwise he will see nothing at Conflans Marly or Bourg la Reine which will suggest that royalty ever had the slightest concern therewith Dealing first with Paris it is evident it is there that the pilgrim to French shrines must make his most profound obeisance This applies as well to palaces as to churches In all cases one goes back into the past to make a start and old Paris what there is left of it is still old Paris though one has to leave the grand boulevards to find this out Colberts and Haussmanns do not live to day or if they do they have become so practical that a drainage canal or an overhead or underground railway is more of a civic improvement than the laying out of a public park like the gardens of the Tuileries or the building and embellishment of a public edifice at least with due regard for the best traditions When the monarchs of old called in men of taste and culture instead of business men they builded in the most agreeable fashion We have not improved things with our systems and our committees of hommes d affaires      *The Royal Palaces of France* Ian Dunlop,1985      Royal Palaces and Parks of France Milburg F Mansfield,2024-02-06 The modern traveller sees something beyond mere facts Historical material as identified with the life of some great architectural glory is something more than a mere repetition of chronologies the sidelights and the co related incidents though indeed many of them may be but hearsay are quite as interesting quite as necessary in fact for

the proper appreciation of a famous palace or chateau as long columns of dates or an evolved genealogical tree which attempts to make plain that which could be better left unexplained The glamour of history would be considerably dimmed if everything was explained and a very seamy block of marble may be chiselled into a very acceptable statue if the workman but knows how to avoid the doubtful parts An itinerary that follows not only the ridges but occasionally plunges down into the hollows and turns up or down such crossroads as may have chanced to look inviting is perhaps more interesting than one laid out on conventional lines A shadowy something which for a better name may be called sentiment if given full play encourages these side steps and since they are generally found fruitful and often not too fatiguing the procedure should be given every encouragement

**Royal Palaces and Parks of France** Francis Miltoun,1910      **Royal Palaces and Parks of France** M. F. Mansfield,2017-06-06 Preface A thousand years ago by the rim of a tiny spring a monk who had avowed himself to the cult of Saint Saturnin robed cowed and sandalled knelt down to say a prayer to his beloved patron saint Again he came this time followed by more of his kind and a wooden cross was planted by the side of the Fontaine Belle Eau by this time become a place of pious pilgrimage After the monk came a king the latter to hunt in the neighbouring forest It was this old account of fact or legend that led the author and illustrator of this book to a full realization of the wealth of historic and romantic incidents connected with the French royal parks and palaces incidents which the makers of guidebooks have passed over in favour of the presumably more important well authenticated facts of history which are often the bare recitals of political rises and falls and dull chronologies of building up and tearing down Much of the history of France was made in the great national forests and the royal country houses of the kingdom but usually it has been only the events of the capital which have been passed in review To a great extent this history was of the gallant daring kind often written in blood the sword replacing the pen At times gayety reigned supreme and at times it was sadness but always the pageant was imposing The day of pageants has passed the day when lords and ladies moved through stately halls when royal equipages hunted deer or boar on royal preserves when gay cavalcades of solemn corteges thronged the great French highways to the uttermost frontiers and oftentimes beyond Those days have passed but to one who knows the real France a ready made setting is ever at hand if he would depart a little from the beaten paths worn smooth by railway and automobile tourists who follow only the lines of conventional travel France even to day the city and the country alike is the paradise of European monarchs on a holiday One may be met at Biarritz on the shores of the Gascon gulf another may be taking the waters at Aix or Vichy shooting pigeons under the shadow of the Tete de Chien or hunting at Rambouillet This is modern France the most cosmopolitan meeting place and playground of royalty in the world French royal parks and palaces those of the kings and queens of mediaeval as well as later times differ greatly from those of other lands This is perhaps not so much in their degree of splendour and luxury as in the sentiment which attaches itself to them In France there has ever been a spirit of gayety and spontaneity unknown elsewhere It was this which inspired the construction and maintenance of such magnificent royal residences as the

palaces of Saint Germain en Laye Fontainebleau Versailles Compiègne Rambouillet etc quite different from the motives which caused the erection of the Louvre the Tuileries or the Palais Cardinal at Paris Nowhere else does there exist the equal of these inspired royal country houses of France and when it comes to a consideration of their surrounding parks and gardens or those royal hunting preserves in the vicinity of the Ile de France or of those still further afield at Rambouillet or in the Loire country their superiority to similar domains beyond the frontiers is even more marked In plan this book is a series of itineraries at least the chapters are arranged to a great extent in a topographical sequence and if the scope is not as wide as all France it is because of the prominence already given to the parks and palaces of Touraine and elsewhere in the old French provinces in other works in which the artist and author have collaborated It is for this reason that so little consideration has been given to Chambord Amboise or Chenonceaux which were as truly royal as any of that magnificent group of suburban Paris palaces which begins with Conflans and ends with Marly and Versailles

**Versailles** Charles River Editors, 2017-02-14 Includes pictures Includes contemporary descriptions of Versailles and its construction Includes online resources and a bibliography for further reading Growing up in Versailles is like growing up in a museum and the people living there are almost the security Thomas Mars In every nation in every era of history there are inevitably one or two places that become the symbol of the times Mention Valley Forge to an American and it will immediately conjure up visions of a hard won fight for freedom Likewise the word Dunkirk said to a Briton will elicit a sense of both pride and horror at the lives lost and saved at that desperate point in World War II For the French and those who study their history Versailles is a symbol of as Charles Dickens once put it the best of times the worst of times It was here that the Sun King Louis XIV built a palace worthy of a great nation during a time when peace was at best short lived It was at Versailles that Russian Tsar Peter the Great to study the palace s architecture and gardens so that he could recreate them in his home country Indeed the greatest minds and artistic geniuses of the later stages of the Renaissance came to Versailles to build and paint and it was here that Madame de Pompadour and her successor Madame du Barry used their wit and beauty to charm a king into doing their bidding However as history constantly demonstrates nothing good lasts forever and so it was with Versailles From the royal palace Louis XVI and Queen Marie Antoinette frittered away the goodwill of their people leading to the French Revolution and their executions Here the mobs amassed to demand freedom equality and brotherhood but mainly a piece or two of pilfered bric a brac In the wake of the French Revolution the palace was gutted and most of the beautiful reminders of its glory were sold away along with the monarchy s birthright and the concept of the divine right of kings While the palace was neglected for a time its original workmen had done their jobs well enough that it managed to weather both time and the political storms that raged around it during the early 19th Century In fact it seems as though Versailles was destined to survive if only so that such a thing of beauty wouldn t be lost forever Even as he focused on the rest of Europe Napoleon felt the need to save Versailles and over time it was restored to its original glory if not its original purpose no monarch has lived

in Versailles for a long time Instead there is a republic and with it a sense that the palace once available only for the wealthy few is now a place for people across the world to come and enjoy the splendor of a bygone era that while not exactly missed can nonetheless still be appreciated Versailles The History and Legacy of France s Most Famous Royal Palace chronicles the remarkable history of one of the world s most famous palaces and tourist spots Along with pictures depicting important people places and events you will learn about Versailles like never before

**Palace of Versailles: Home to the Kings of France** Jennifer Howse,2015-08-01 The opulent Palace of Versailles became the official royal residence of French monarchs during the reign of King Louis XIV With 551 112 square feet 51 200 square meters of floor space rooms filled with gilded furniture and more than 7 000 works of art the Palace of Versailles showcases the luxurious lifestyles of the kings of France Explore the facility history people and science behind the building in Palace of Versailles a Castles of the World book

**Royal Palaces and Parks of France (Classic Reprint)** Francis Miltoun,2015-07-08 Excerpt from Royal Palaces and Parks of France At times gayety reigned supreme and at times it was sadness but always the pageant was imposing The day of pageants has passed the day when lords and ladies moved through stately halls when royal equipages hunted deer or boar on royal preserves when gay cavalcades of solemn corteges thronged the great French highways to the uttermost frontiers and ofttimes beyond Those days have passed but to one who knows the real France a ready made setting is ever at hand if he would depart a little from the beaten paths worn smooth by railway and automobile tourists who follow only the lines of conventional travel France even to day the city and the country alike is the paradise of European monarchs on a holiday One may be met at Biarritz on the shores of the Gascon gulf another may be taking the waters at Aix or Vichy shooting pigeons under the shadow of the Tete de Chien or hunting at Rambouillet This is modern France the most cosmopolitan meeting place and playground of royalty in the world French royal parks and palaces those of the kings and queens of mediaeval as well as later times differ greatly from those of other lands About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

### **Royal Palaces Of France Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Royal Palaces Of France PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Royal Palaces Of France PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Royal Palaces Of France free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
