King Solomon settled in the south of India and lived there peacefully until today Similarly during the ancient Roman period many Jewish merchants traveled to China over the Silk Route and some made it their permanent home Also before the Edict of Expulsion in 1492 Sicily was home to over 50 Jewish communities possibly numbering 50 000 people So how did the Diaspora bring these wandering Jews to so many places around the globe And why did Jews live happily in India and China for centuries and not experience antisemitism while the story of the Jews in Europe went from persecution and massacres to unspeakable horrors of the Holocaust Finally why do we see the rise of antisemitism and violence again in the 21st century You will find answers to these questions and much more in the current edition of Irene Shaland s artfully illustrated book *The Dao of Being Jewish and Other Stories* She collected these fascinating stories while visiting ten countries in Europe Asia and Africa and interviewing the locals in their homes synagogues and even cemeteries Now Irene Shaland s book replete with her husband s photos takes you on your own exciting journey of discovery from Austria and the Czech Republic to Scandinavia from India and China to Sicily and Sardinia and from East Africa to Stalinist Russia
