Poppy, a secretary, has always wished for the happiness of her beloved boss, Randall. When she saw him getting married in a loveless political marriage, she got so worried that she decided to intervene. But as a result, on the day of the ceremony, the bride disappeared. When the boss asked if it was Poppy who did it, he also explained why he had to get married before his 35th birthday. And that means he had to find his next bride in a hurry. Poppy, pale-faced as a result of this, was even more upset when she saw the list of candidates given to her by Randall.
