Plantagenet Ancestry: A Study In Colonial And Medieval Families, 2nd

Edition, 2011 , Elizabeth of York Alison Weir,2013-12-03 NEW YORK TIMES BESTSELLER Bestselling historian Alison Weir tells the poignant suspenseful and sometimes tragic story of Elizabeth eldest daughter of the Yorkist King Edward IV and sister of the Princes in the Tower a woman whose life was inextricably caught up in the turmoil of the Wars of the Roses and the establishment of the usurping Tudor dynasty She was the wife of Henry VII and mother of Henry VIII Many are familiar with the story of the much married King Henry VIII of England and the celebrated reign of his daughter Elizabeth I But it is often forgotten that the life of the first Tudor queen Elizabeth of York Henry s mother and Elizabeth s grandmother spanned one of England s most dramatic and perilous periods Now New York Times bestselling author and acclaimed historian Alison Weir presents the first modern biography of this extraordinary woman whose very existence united the realm and ensured the survival of the Plantagenet bloodline Her birth was greeted with as much pomp and ceremony as that of a male heir The first child of King Edward IV Elizabeth enjoyed all the glittering trappings of royalty But after the death of her father the disappearance and probable murder of her brothers the Princes in the Tower and the usurpation of the throne by her calculating uncle Richard III Elizabeth found her world turned upside down She and her siblings were declared bastards As Richard s wife Anne Neville was dying there were murmurs that the king sought to marry his niece Elizabeth knowing that most people believed her to be England s rightful queen Weir addresses Elizabeth s possible role in this and her covert support for Henry Tudor the exiled pretender who defeated Richard at the Battle of Bosworth and was crowned Henry VII first sovereign of the House of Tudor Elizabeth s subsequent marriage to Henry united the houses of York and Lancaster and signaled the end of the Wars of the Roses For centuries historians have asserted that as queen she was kept under Henry s firm grasp but Weir shows that Elizabeth proved to be a model consort pious and generous who enjoyed the confidence of her husband exerted a tangible and beneficial influence and was revered by her son the future King Henry VIII Drawing from a rich trove of historical records Weir gives a long overdue and much deserved look at this unforgettable princess whose line descends to today s British monarch a woman who overcame tragedy and danger to become one of England s most beloved consorts Praise for Elizabeth of York Weir tells Elizabeth s story well She is a meticulous scholar Most important Weir sincerely admires her subject doing honor to an almost forgotten queen The New York Times Book Review In Alison Weir s skillful hands Elizabeth of York returns to us full bodied and three dimensional This is a must read for Tudor fans Historical Novels Review This bracing biography reveals a woman of integrity who helped her husband lay strong groundwork for the success of the new Tudor dynasty As always in a Weir book the tenor of the times is drawn with great color and authenticity Booklist Weir once again demonstrates that she is an outstanding portrayer of the Tudor era giving us a fully realized biography of a remarkable woman Huntington News Death in Salem Diane Foulds,2013-08-06 Salem witchcraft will always have a magnetic pull on the American psyche During the 1692 witch trials more than 150 people were arrested An estimated 25 million Americans including author Diane Foulds are descended from the twenty individuals executed What

happened to our ancestors Death in Salem is the first book to take a clear eyed look at this complex time by examining the lives of the witch trial participants from a personal perspective Massachusetts settlers led difficult lives every player in the Salem drama endured hardships barely imaginable today Mercy Short one of the bewitched girls watched as Indians butchered her parents Puritan minister Cotton Mather outlived all but three of his fifteen children Such tragedies shaped behavior and as Foulds argues ultimately played a part in the witch hunt s outcome A compelling who s who to Salem witchcraft Death in Salem profiles each of these historical personalities as it asks Why was this person targeted

Connecting the Dots in World History, A Teacher's Literacy Based Curriculum Chris Edwards,2015-12-04 In his previously written articles and books Chris Edwards has argued that Teaching should be considered a field that is separate from both the field of Education and from the content area fields Teaching is a field which synthesizes content and method for classroom application All of the other major intellectual fields have a canon of works which practitioners can learn from and add to but Teaching does not The Connecting the Dots in World History A Teacher s Literacy Based Curriculum series changes this by showing how effective a teacher generated curriculum can be These books can inspire other teachers to create their own curriculums and inspire a change in the way that the public views teachers and teaching

The Enduring Crown Commonwealth Michael J. Smith,Stephen Klimczuk-Massion,2023-05-15 The controversial Netflix series The Crown covers the tumultuous period from the Queen s accession in 1952 to the present day and so does this book which explores the rise decline and to some unexpected rebound of the historic UK Canada Australia and New Zealand alliance While a post Brexit and post Elizabethan Britain seeks a new role in today s volatile world its traditional partner countries also recognise the logic of reinvigorating their relationship based on a multitude of still strong cultural economic political and military ties including the monarchy as a uniquely shared global and not merely British institution But this wasn t always the case Although in the 1950s commentators spoke of a new Elizabethan Age with much postwar hope across the Commonwealth that optimism quickly

faded By the 1970s many thought Britain washed up and that Crown and Commonwealth ties and allegiance were becoming obsolete Perhaps unsurprisingly the four countries increasingly went their separate ways So a groggy time traveller from that period appearing in London Toronto Sydney or Auckland today would be taken by surprise by the durability of the Crown even as it has passed to King Charles and the growing reconvergence of the four CANZUK realms in terms of trade defence foreign policy coordination freedom of movement mutual recognition of professional qualifications and other new or revived links This book evocatively tells the whole story of where we are what s possible for the future and not least how we got here In today s age of global instability and raw power politics this renewed Anglosphere Crown Commonwealth alliance is more important and relevant than ever **The Publishers Weekly** ,2006 **Post-dictatorship Historical Fiction in**

may be impeded by editorial policies operative in older editions of medieval narratives and since viewing the manuscripts directly is often difficult or impossible the editorial board set protocols for the Lancelot Prose of 229 editions that would address the need for authentic accessible texts packaged with ancillaries to address a variety of reading and experience levels At the same time the board wished to take into account the potential of electronic images to enhance scholarly work and teaching based on the editions The idea of a strictly diplomatic edition was discarded in light of digital technologys ability to provide high resolution images of an original that are useful for close private study and public viewing Thus each edition provides a useful portable authentic reading of Old French Arthurian narrative that is supported externally by online electronic images and internally by a selection of wonderful illustrations and a variety of ancillary materials and essays developed through years of study and teaching based on Yale 229 The Mort begins with the return of Bohors from the quest of the Holy Grail and narrates the declining fortunes of King Arthur and his Round Table through the dissolution of the Table and the death of Arthur The tale includes Morgains efforts to convince Arthur of Lancelot and Guineveres adultery Lancelots battle to save Guinevere from burning at the stake the dramatic discovery of Guinevere and Lancelot by Arthurs knights the departure of Arthur from his kingdom to fight Lancelot and Arthurs leaving his Kingdom the keys to his treasury and his Queen in the hands of the treacherous Mordret In the closing folios Arthur is mortally wounded by Mordret at the apocalyptic Battle of Salisbury Plain and Lancelot returns to avenge Arthur against Mordrets two sons at the final Battle of Winchester The book closes shortly after the death of Lancelot with a rejection of the life of court and chivalry in favor of penance and spiritual fulfillment **American Book Publishing Record** ,2005 **Ballou's Pictorial** ,1858 *Gleason's Pictorial Drawing-room Companion* Maturia Murray Ballou,1854
