**Blacksmiths of Ilamba** Crislayne Alfagali,2023-05-08 This study analyzes the establishment of an iron foundry in the interior 18th century of Angola It was a fruit of the Portuguese Enlightenment which encouraged investment in manufacturing particularly of iron a metal indispensable for military and technological purposes However the plans faced the resistance of African blacksmiths and founders who refused to learn foreign techniques and work processes By emphasizing Central African agency the book highlights the successful strategies of historical actors who scholars have largely ignored Based upon a wide variety of sources from Brazilian Portuguese and Angolan archives the book reconstructs how Africans were taken to work at the foundry and the important role they played in developing the form of production employed there By emphasizing continuities with African technology and the quality of the iron produced it counters interpretations of the project as an example of the failure of the Portuguese Enlightenment The analysis demonstrates the circulation of knowledge about iron production thus revitalizing debates that have posited knowledge transmission as unidirectional It also highlights the relationship between local political leaders and the colonial government in addition to elucidating the processes by which workers were organized

**Winning Workplace Wars** Rev Emmanuel Oghene-Emmanuel,2024-12-17 Life they say is a battlefield from birth to death Workplace is where man tries to earn a living and there is a constant struggle for survival there like in any other part of life As a shepherd in training David battled wild animals to protect his father s flock that he was looking after When God

took him from there to become king of Israel he had to wage another kind of battle It was where the priest Ahimelech was doing his legitimate job that David and Doeg visited and that visit led to the cutting short of Elimelech s life alongside that of his family and relatives and their possession in a single day This is even though he was engaged in God s work or sacred service rather than secular work Ecclesiastes 10 9 means there is life threatening risk in all human endeavours anywhere under the sun Luke 24 19 20 and Acts 10 38 29 say the fact that Jesus spent all His time going about doing good did not stop some from battling Him to death before God raised Him to life after three days I1 Samuel 7 8 9 and 1 Chronicles 17 7 8 say the journey from humble background to greatness is fraught with enemies who must be battled and defeated that require God s intervention to remove the enemies for the journey to be successful If God had not intervened David would not have completed his victoriously      **May 3-6, 10, 11, 20, July19, 1965, Appendix I. 1030 p** United States.
