Research and Development Abstracts of the USAEC. ,1962 **Catalogue** Illinois Institution for the Education of the Deaf and Dumb (Jacksonville). Library,1895 **Arthur of England** Christopher Dean,1987-12-15 Today popular imagination peoples the Middle Ages with damsels in distress and knights riding to their rescue Of such knights King Arthur and his companions are the most celebrated It is certainly true that this is the time when the Arthurian story took shape and Arthurian literature flourished and that most medieval historians included him in their histories of Britain though some did so with a considerable degree of scepticism But how widely was this literature known in its own day How much credence did people generally place in this king who supposedly once ruled England To answer these questions Christopher Dean looks at medieval and Renaissance Arthurian literature in detail and also examines contemporary chronicles and histories chivalric
