Scots In The Mid Atlantic Colonies 1635 1783:

Scots in the Mid-Atlantic Colonies, 1635-1783 David Dobson,2002 An alphabetical listing of Scots in the mid Atlantic colonies from 1635 to 1783 **Tracing Your Scottish Family History on the Internet** Chris Paton,2020-04-30 From search engines and databases to DNA platforms discover how to easily learn more about your Scottish ancestry online with this helpful guide Scotland is a land with a proud and centuries long history that far predates its membership of Great Britain and the United Kingdom Today in the 21st century it is also a land that has done much to make its historical records accessible to help those with Caledonian ancestry trace their roots back to earlier times and a world long past In Tracing Scottish Family History on the Internet Chris Paton expertly guides the family historian through the many Scottish records offerings available but also cautions the reader that not every record is online providing detailed advice on how to use web based finding aids to locate further material across the country and beyond He also examines social networking and the many DNA platforms that are currently further revolutionizing online Scottish research From the Scottish Government websites offering access to our most important national records to the holdings of local archives libraries family history societies and online vendors Chris Paton takes the reader across Scotland from the Highlands and Islands through the Central Belt and the Lowlands and across the diaspora to explore the various flavors of Scottishness that have bound us together as a nation for so long **Encyclopedia of Local History** Amy H. Wilson,2017-02-06 The Encyclopedia of Local History addresses nearly every aspect of local history including everyday issues theoretical approaches and trends in the field This encyclopedia provides both the casual browser and the dedicated historian with adept commentary by bringing the voices of over one hundred experts together in one place Entries include Terms specifically related to the everyday practice of interpreting local history in the United States such as African American History City Directories and Latter Day Saints Historical and documentary terms applied to local history such as Abstract Culinary History and Diaries Detailed entries for major associations and institutions that specifically focus on their usage in local history projects such as Library of Congress and Society of American Archivists Entries for every state and Canadian province covering major informational sources critical to understanding local history in that region Entries for every major immigrant group and ethnicity Brand new to this edition are critical topics covering both the practice of and major current areas of research in local history such as Digitization LGBT History museum theater and STEM education Also new to this edition are graphics including 48 photographs Overseen by a blue ribbon Editorial Advisory Board Anne W Ackerson James D Folts Tim Grove Carol Kammen and Max A van Balgooy this essential reference will be frequently consulted in academic libraries with American and Canadian history programs public libraries supporting local history museums historic sites and houses and local archives in the U S and Canada This third edition is the first to include photographs **Captain Kidd** Samuel Marquis,2025-05-13 A breakneck adventure of war romance and politics in the golden age of piracy Captain William Kidd stands as one of the most

notorious pirate outlaws ever but his legend is tainted by a bed of lies Having captivated imaginations for more than three hundred years and inspired many stories about pirates troubling questions remain Was he really a criminal or is the truth more inconvenient that he was a buccaneer s worst nightmare a revered pirate hunter turned fall guy for scheming politicians In Captain Kidd his ninth great grandson bestselling author Samuel Marquis reveals the real story Kidd was an English American privateer and leading New York husband and father The King of England himself dubbed Kidd trusty and well beloved and some historians describe him as a worthy honest hearted steadfast much enduring sailor who was the victim of a deliberate travesty of justice With honors far more esteemed than the menacing Blackbeard or any other sea rover at the turn of the seventeenth century how can Kidd be considered both gentleman and pirate both hero and villain Marquis biography recreates Kidd s perilous world of explosive naval warfare and the daring integrity he exemplified as a pirate hunter as well as the political scandal that entangled Kidd in British American history rocking the New World and the Old and threatening England s valuable trade with India Captain Kidd is both thrilling and tragic Behind the legend is a real man woven into the tapestry of early America rendering him a unique colonial hero and scapegoat whose life story was fascinating exciting bizarre and heartrending *The New York Genealogical and Biographical Record* Richard Henry Greene, Henry Reed Stiles, Melatiah Everett Dwight, George Austin Morrison, Hopper Striker Mott, John Reynolds Totten, Harold Minot Pitman, Charles Andrew Ditmas, Louis Effingham De Forest, Conklin Mann, Arthur S. Maynard, 2003 **Passenger and Immigration Lists Index**, 1983 **Everton's Family History Magazine**, 2003 *Tennessee Ancestors*, 2007 Journal - Western New York Genealogical Society Western New York Genealogical Society, 2002 **The Researcher**, 2002 **The Tree Tracers**, 2000 Tree Talks, 2002 **Scots in the Mid-Atlantic States, 1783-1883** David Dobson, 2002 Naming an additional 3 000 Scots immigrants to the mid Atlantic region this book covers the hundred years immediately following the Revolutionary War and provides a series of sketches conveying such information as the immigrant s place and date of birth and death occupation date of arrival and place of settlement in the U S and names of spouse and children Book Review Index, 2004 Every 3rd issue is a quarterly cumulation **Books in Print Supplement**, 2002 **Scottish Emigration to Colonial America, 1607-1785** David Dobson, 1994 This study presents all known information about the Scottish emigrants who helped settle the vast British colonial expanse that once reached from Newfoundland down the eastern seaboard to the West Indies Ranging in his coverage from the founding of the Jamestown Colony through the first years of American independence David Dobson substantiates the omnipresence of Scots throughout the region and rescues from obscurity their accomplishments in virtually all trades and professions The book is arranged by geographic location within a chronology that frames the major periods of Scottish emigration which were by definition periods of great sociopolitical change in Britain the half century before Restoration Restoration to Union Union to the Peace of Paris and the Peace of Paris to the Treaty of Paris Dobson s narrative not only incorporates a great deal of demographic and biographical information but also uses anecdotes

that typify the Scottish emigrant experience As he considers the motivations of the emigrants their settlement patterns and their contributions to colonial life Dobson addresses an abundance of related topics from the Scottish influence on such schools as Princeton and the College of William and Mary to the complicated loyalties of the Scottish factions in the American Revolution Of the estimated 150 000 Scots who emigrated to America before 1785 says Dobson a fair number came involuntarily or reluctantly As defeated insurrectionists they were forced into indentured servitude as convicted criminals they were banished to labor on Caribbean sugar and cotton plantations as mercenaries or conscripts they came to fight the Mohawks and the French and later the rebellious subjects of George III As Presbyterians and Quakers many others came in search of tolerance Enterprising Scots who had long been victims of English trade restrictions also felt the lure of the colonies Turning away from the nearby commercial and cultural havens they had established in Poland the Netherlands and elsewhere Scottish manufacturers and crafts persons poured across the Atlantic Lowland Scots Dobson shows were predominant until the 1730s tending to cluster in seaport communities and the West Indies The clannish Highlanders who followed came at first to escape English animosity but were later driven to emigrate by poor harvests and harsh winters They trekked to the southern frontiers of Georgia and the Carolinas the rugged interior of New York and the farthest Canadian outposts of the Hudson Bay Company The contributions of these people in fields from education and politics to religion and medicine were greatly out of proportion to their numbers David Dobson s book based almost entirely on primary research in archives and libraries in Scotland England Canada and the United States will gain Scottish emigrants the recognition they deserve

Colonists from Scotland: Emigration to North America, 1707-1783 Ian Charles Cargill Graham,1972 This distinguished monograph is a treatise on the causes and character of Scottish emigration to North America prior to the American Revolution Entire chapters are then devoted to Lowland and Highland emigration forced transportation of felons and the drafting of Scottish troops to the colonies rising rents and other factors in the Scottish social structure and the British government s role in colonization Three concluding chapters cover the geographical centers of Scottish settlement especially the Carolinas

Colonists from Scotland Ian Charles Cargill Graham,2005 *The Scottish Settlers of America* Stephen M. Millett,2009-06 Drawing upon research conducted in both Scotland and the United States in manuscript and in published sources David Dobson has here amassed all the genealogical data that we know of concerning members of the Society of Friends in Scotland prior to 1700 and the origins of Scottish Quakers living in East New Jersey in the 1680s While there is great deal of variation in the descriptions of the roughly 500 Scottish Quakers listed in the volume the entries typically give the individual s name date or place of birth and occupation and sometimes the name of a spouse or date of marriage name of parents place and reason for imprisonment in Scotland place of indenture date of death and the source of the information

Scots in the American Revolution, 1776-1783 W.R. McLeod,2014 The role which Scottish immigrants to the American colonies played in the Revolutionary War is a topic which has fascinated scholars for the past two centuries

and more Was there any rhyme or reason to why some of the Scottish settlers supported the rebellious colonists and why others particularly those from the Highlands remained loyal to the very Hanoverian government which had so crushingly defeated them at Culloden Professor Alastair Crawford here gives a modern appraisal of the factors influencing which side the Scots supported Then in Distinguished Highlanders Who Served in America J P MacLean gives short biographical sketches of the best known Scots serving on both sides of the conflict
