Long Lance The True Story Of An Imposter:

Long Lance Donald B. Smith,1982 **True West** William R. Handley,Nathaniel Lewis,2007-05-01 In no other region of the United States has the notion of authenticity played such an important yet elusive role as it has in the West Though pervasive in literature popular culture and history assumptions about western authenticity have not received adequate critical attention Given the ongoing economic and social transformations in this vast region the persistent nostalgia and desire for the real authentic West suggest regional and national identities at odds with themselves True West explores the concept of authenticity as it is used to invent test advertise and read the West The fifteen essays collected here apply contemporary critical and cultural theory to western literary history Native American literature and identities the visual West and the imagining of place Ranging geographically from the Canadian Prairies to Buena Park s Entertainment Corridor in Southern California and chronologically from early tourist narratives to contemporary environmental writing True West challenges many assumptions we make about western writing and opens the door to an important new chapter in western literary history and cultural criticism **LONG LANCE:THE TRUE STORY OF AN IMPOSTER.** Donald B. Smith,1982

Cross-Border Warriors Fred Gaffen, 1996-07-25 For well of a hundred years Canadians and Americans have crossed the border that separates their two countries to serve in one another s armed forces The American Civil War the two world wars Korea Vietnam the Gulf War *Cross Border Warriors* presents anecdotes letters and diaries by or about individuals who left family and native land to engage in these far away struggles There was Emma Edmonds a woman from New Brunswick who disguised herself as a man and served as a field nurse and spy for the Yankees during the civil war American Lucien Thomas who flew 400 combat missions in WW II and Korea Fred Demara The Great Impostor who used his surgical skills on unsuspecting patients More than ninety photos together with Fred Gaffen s analysis of this cross border phenomenon complement the soldiers words

Explorations in Sights and Sounds ,1986 **Passing for who You Really are** A. D. Powell, 2005 This eloquent spokesperson of the movement to abolish government sponsorship of the race notion believes that the one drop rule ignores science crushes tolerance and mocks the American Dream This collection of

essays on multi racialism originally appeared in Interracial Voice magazine *Paddling Her Own Canoe* Veronica Strong-Boag, Carole Gerson, 2017-06-22 Frequently dismissed as a nature poet and an Indian Princess E Pauline Johnson 1861-1913 was not only an accomplished thinker and writer but a contentious and passionate personality who talked back to Euro Canadian culture *Paddling Her Own Canoe* is the only major scholarly study that examines Johnson's diverse roles as a First Nations champion New Woman serious writer and performer and Canadian nationalist A Native advocate of part Mohawk ancestry Johnson was also an independent self supporting unmarried woman during the period of first wave feminism Her versatile writings range from extraordinarily erotic poetry to polemical statements about the rights of First Nations Based on thorough research into archival and published sources this volume probes the meaning of Johnson's energetic career and addresses the complexities of her social racial and cultural position While situating Johnson in the context of turn of the century Canada the authors also use current feminist and post colonial perspectives to reframe her contribution Included is the first full chronology ever compiled of Johnson's writing Pauline Johnson was an extraordinary woman who crossed the racial and gendered lines of her time and thereby confounded Canadian society This study reclaims both her writings and her larger significance *Who Gets to Be Indian?* Dina Gilio-Whitaker, 2025-10-07 An investigation into how Native American identity became a commodity from cultural appropriation to ethnic fraud to disenrollment Settler capitalism has been so effective that the very identities of Indigenous people have been usurped misconstrued and weaponized In *Who Gets to Be Indian* scholar and writer Dina Gilio Whitaker Colville Confederated Tribes explores how ethnic fraud and the commodification of Indianness has resulted in mass confusion about what it means to be Indigenous in the United States As an entry point to the seemingly intractable problem of ethnic fraud Gilio Whitaker critically looks to the film industry including a case study of Sacheen Littlefeather who is most known as the Native American woman that rejected an Oscar on behalf of Marlon Brando in 1973 though later revealed she was not who she said she was Gilio Whitaker argues that this pretendian phenomenon originated in Southern California when the United States was forcing assimilation of Indians into white America culturally but also into its capitalist economic system With Indianness becoming a marketized commodity in the Hollywood film business the field became open to anyone who could convincingly adopt an Indian persona Deeply researched using socio historical analysis Gilio Whitaker offers insights from her own experiences grappling with identity to provide clarity and help readers understand how the commodification of Indianness have ultimately left many people of legitimate American Indian heritage to be disconnected from their tribes Personal and compelling Gilio Whitaker takes settler capitalism to task and helps us better understand how we got here in order to counteract the abuses of pretendianism and disenrollment *Making the White Man's Indian* Angela Aleiss, 2005-05-30 The image in Hollywood movies of savage Indians attacking white settlers represents only one side of a very complicated picture In fact sympathetic portrayals of Native Americans stood alongside those of hostile Indians in the silent films of D W Griffith and Cecil B DeMille and

flourished during the early 1930s with Hollywood's cycle of pro Indian adventures. Decades later the stereotype became even more complicated as films depicted the savagery of whites. *The Searchers* in contrast to the more peaceful Indian *Broken Arrow*. By 1990 the release of *Dances with Wolves* appeared to have recycled the romantic and savage portrayals embedded in early cinema. In this new study author Angela Aleiss traces the history of Native Americans on the silver screen and breaks new ground by drawing on primary sources such as studio correspondence, script treatments, trade newspapers, industry censorship files, and filmmakers' interviews to reveal how and why Hollywood created its Indian characters. Behind the scenes, anecdotes of filmmakers and Native Americans as well as rare archival photographs supplement the discussion, which often shows a stark contrast between depiction and reality. The book traces chronologically the development of the Native American's screen image while also examining many forgotten or lost Western films. Each chapter will feature black and white stills from the films discussed.
