Give a Boy a Gun Jack Olsen, The war between society and the antisocial personality has long been a subject of fascination and few have explored it as thoroughly as award winning author Jack Olsen In his national best seller *Son A Psychopath and His Victims* Olsen studied a psychopathic rapist who found the perfect protective coloration in jogging shoes and sweats In this book the story of Claude Lafayette Dallas Jr Olsen takes on perhaps his most challenging assignment explicating the curious relationship between a homicidal young mountain man and those who saw in his colorful ways the embodiment of the cowboy mystique of the West On a snow blown day Dallas killed two game wardens who entered his trapping and poaching camp in Idaho s Owyhee Desert The cold bloodedness of Dallas s crime shocked the West Stained with his victim s blood he confessed to a companion This is Murder One for me Then Claude Dallas vanished into the wild and rugged mountains that had sheltered him for so long For fifteen long months he was the subject of an international manhunt until the FBI and a drawling country sheriff joined forces to run him to earth in a rain of bullets Only then did lawmen learn about the network of friends who had helped him elude capture To some of Dallas s rustic neighbors the deadly progression from cowboy to poacher to killer seemed justifiable even admirable Clanking around the bars and barrancas of the high desert country in his hand filed spurs and well oiled guns Claude Dallas had brought a strange new madness to the mythology of the West a madness that even a jury of his peers found nostalgically seductive in a sensational trial Claude Dallas came within a whisker of going free Only Jack Olsen through painstaking research into Dallas s background and exhaustive on the scene interviewing could unravel such a rat s nest of contradictions and confusions and create so compelling a portrait of the killer whose bloody deeds might have been foreordained from childhood From Publishers Weekly Claude Dallas Jr was raised in Upper Michigan and Ohio by a father whose philosophy was give a boy a gun and you re makin a man After high school the young man went to the rugged border area of Idaho Oregon and Nevada and worked as a cow puncher and handyman on several ranches But his dream was evidently to become a 19th centurystyle mountain man and so he turned to poaching often killing animals even though he had no need for the meat In 1981 he killed two game wardens in front of a witness On the run for 15 months he was eventually captured in a shootout and found guilty of manslaughter in a singularly bizarre trial From Library Journal Give a

boy a gun and you re makin a man Claude Dallas Sr is quoted as saying in this book about his son Claude Jr a self made cowboy trapper and mountain man who was convicted of manslaughter in the shooting deaths of two Idaho game wardens Claude Jr was well liked by many including a sympathetic jury which rejected possible first or second degree murder verdicts Was it a case of self defense or outright murder Olsen who last wrote the popular Son a psychopath and his victims LJ 11 15 83 skillfully presents his viewpoint in a readable tale more reminiscent of Old West traditions than of the 1980s
