The Long Road Back Roxanne Gail Hodge, 2019-10-11 Monique CIA agent is in a coma from a serious accident Her subconscious creates an alternate reality in which surprising characters assist her as she seeks clues to her identity Tests reveal something more sinister than a car accident but in the middle of the police investigation the CIA confiscates the collected evidence Independent probes by various agencies lead to one person Connor and his involvement with a terrorist group Monique after a miraculous recovery employs her analytical skills and her alternate reality friends to lead a contingent of investigators on a turbulent race against time to solve and stop destruction before it s too late **A Long Road Back**

Dean D'Adamo, 2011-12-08 Some sort of battle fatigue fairly common with soldiers returning from Korea It should take care of itself over time the camp psychiatrist assured him Jack Rossi wasnt so sure but wasnt overly concerned He was finally back from his tour of duty and had plans to make places to go Places that didnt include the area in Massachusetts where he grew up but fate had other plans It is almost Christmas but neither the holidays nor the familiar surroundings where he now finds himself can protect him from the unexplained anxiety attacks that continue to intensify or the very real dangers that threaten his life Love redemption and his very survival are at stake But answers prove allusive and explanations require a faith that Jack doesnt possess **The Long Road Back**

Jason K. Koop, 2025-03-31 Simon Fletcher is a young veteran ex cop and amputee who left his faith behind Ten years later he must face a degree of betrayal on the same deep level that drove him away from his beliefs As he stands at a crossroads feeling his world fall apart around him he must decide to either allow himself to be led back to God or let the world drag him further into the darkness in which he s been living **The Long Road Back**

Kertina Small, 2011-05-18 This book is a heartfelt story About a young woman She was verbally and physically abused and raped and gave birth at the age of fourteen Her mother committed suicide dealing with low self esteem and being told by a family member that she wouldnt amount to anything People dont determine your future God does This book will help someone to know the bad things that happen in life are not right but its okay God will help you through any and everything if you put your trust in him **The Long Road Back**

Brook Weathersby, 2022-04-14 Being brought up by loving parents in a Christian home didnt t prepare Jenna for what the world would teach her A naturally optimistic and happy girl would soon learn the shock of cruelty and abuse the pain of a broken heart and the strength that it took to rebuild a broken life More importantly she would learn the importance of seeking God s will listening for His voice and accepting His forgiveness Mistakes seemed to be a regular occurrence in her life and with each she learned more about the Grace and Mercy of God and the faithfulness of his love Robbed of her innocence confidence and self esteem and faced with the reality that life was almost never ideal Jenna sought to accept reality without becoming hard or cynical Seeking refuge in the arms of God and the shelter of her parents gave Jenna the place to reflect and grow as she healed and gained strength to begin again **The**

The Long Road Home... Richard McKenzie Neal,2009-11 By this point in our lives my target readers we ve all heard the old adage You can t go home But what does it mean As life winds down and the drone of existence begins to wane I m feeling an intangible desire or need to reach back into my past and reconnect with a by gone time and people living and or dead It feels like an elusive melody that seems distantly familiar yet strange and unidentifiable If all the above sounds like a premonition of the inevitable I agree and accept that my time is ticking away But it s not about dying it s about going home I m not afraid of dying but I do struggle with the reality that I will no longer physically exist I have to wonder if the term going home isn t a misnomer and maybe just maybe we re trying to return to Neverland Fridays With Landon When we were very young we searched for that elusive utopian community and studies have shown that in our declining years we slowly revert to our childhood Another line of thought is that it s all just a mirage We know and accept that a man can be dying of thirst in the middle of the driest desert and his mind will anesthetize him by creating the illusion of an oasis If we can acknowledge that phenomenon the mind s coping mechanism then it shouldn t be much of a stretch to reason that the elderly possess those same innate coping capabilities to ease their journey home Of course their mirage would be about going home not to a place but to another time What is the driver for this apparently universal pilgrimage I have to wonder even compare it to an addict s motivation The Path to Addiction one more trip down that path of pleasant memories even as the host is being sacrificed

The Long Road Home William Craig,2021-05-07 The Long Road Home is a story about a young man who heads out west with a belly full of pride and self reliance only to fall headlong into foolishness and crash to the ground with his face in the mud There he learns the things that are really important Through repentance redemption reconciliation and restoration he learns that faith family and friends require love sacrifice and commitment Be not deceived God cannot be mocked what a man sows that will he reap Galatians 6 7

Long Road Home Yong Kim,2009-06-19 Kim Yong shares his harrowing account of life in a labor camp a singularly despairing form of torture carried out by the secret state Although it is known that gulags exist in North Korea little information is available about their organization and conduct for prisoners rarely escape both incarceration and the country alive Long Road Home shares the remarkable story of one such survivor a former military official who spent six years in a gulag and experienced firsthand the brutality of an unconscionable regime As a lieutenant colonel in the North Korean army Kim Yong enjoyed unprecedented privilege in a society that closely monitored its citizens He owned an imported car and drove it freely throughout the country He also encountered corruption at all levels whether among party officials or Japanese trade partners and took note of the illicit benefits that were awarded to some and cruelly denied to others When accusations of treason stripped Kim Yong of his position the loose distinction between those who prosper and those who suffer under Kim Jong il became painfully clear Kim Yong was thrown into a world

of violence and terror condemned to camp No 14 in Hamkyeong province North Korea's most notorious labor camp As he worked a constant shift 2 400 feet underground daylight became Kim's new luxury as the months wore on he became intimately acquainted with political prisoners subhuman camp guards and an apocalyptic famine that killed millions After years of meticulous planning and with the help of old friends Kim escaped and came to the United States via China Mongolia and South Korea Presented here for the first time in its entirety his story not only testifies to the atrocities being committed behind North Korea's wall of silence but also illuminates the daily struggle to maintain dignity and integrity in the face of unbelievable hardship Like the work of Solzhenitsyn this rare portrait tells a story of resilience as it reveals the dark forms of oppression torture and ideological terror at work in our world today **A Long Road to Progress** Richard Hall,2010-08-13

Fascinating dispatches from a Kiwi Commander in Afghanistan As Commander of the New Zealand troops in the Bamiyan Province of Afghanistan Colonel Richard Hall gained a unique insight into the lives of Kiwi soldiers serving in a harsh climate amid daily threats as well as into the lives of the locals from the female governor trying to establish order in a patriarchal society to the farmer scratching a living from an inhospitable land to the orphaned girls destined to be sold into marriage at a young age He vividly and movingly recalls his experiences but also explains the vision he tried to implement on behalf of New Zealand He tackles the complex issues involved in an army that seeks to bring both aid and a Western way of doing things in a deeply Islamic country And he offers an astute perspective on working with New Zealand troops American soldiers corrupt Afghani officials intransigent aid organisations while tackling crippling poverty insurgent attacks impossible terrain and severe weather This is an important and fascinating view of New Zealand's role in Afghanistan **Long Road to Jerusalem** Roger Bowen,2015-05-12

dedicated Christian minister who never had any intention of wavering from his deeply held spiritual moral or doctrinal convictions Then one day he met a person whose impact on his life would cause everything he had believed to waver in the balances Would he be true to his faith Would he stay in vocational ministry Would he put aside his carefully guarded principles or would he cast everything aside for the sake of what he saw as the ultimate fulfillment of his life And was that seemingly perfect fulfillment real or an illusion which would destroy his work for God Read *Long Road From Annan Springs* and find out
