Meri's Turn in Time Kathleen Ann Emmett, 2023-01-24 Meri grew up under the wide Montana sky on a small farm near the Canadian border milking cows feeding chickens and listening to her brother's tales of the stars and starlore But as

graduation loomed near she began to regard the figures on the celestial carousel with the sentimentality of a forgotten toy and became increasingly uneasy with her expected entry into a university She had too many questions questions that sitting in a classroom wouldn't answer She needed to find some solid truths truths she could pound against and they wouldn't crumble She was determined to seek them out Leaving for the west coast Meri and her best friend Christine end up moving in with Rex an old environmental warrior who takes them to an old growth forest shares the tools of activism and to Meri's surprise aspires to the same mindset of putting all on the line for a meaningful life Soon she finds work at a state agency starts taking classes and joins protests But she's still strangely comforted when glancing up she makes out familiar figures in that ancient ring of myths encircling the earth She imagines that as ancient sky watchers mapped the path of the sun in the night sky they wove tales of their movements and their own lore into the stars And as she begins to relate to the tales of guardianship and farming balance and wildlife and so many others she begins to find a true purpose and a path for this her turn in time Water-supply Paper ,1920 **Turn It Around** Frank Santora,2010-06-01 Pastor and motivational speaker Frank Santora shares seven powerful solutions that promise to transform what appear to be life's road blocks into victories that will turn your life around With clarity and vision Frank Santora presents the message that God can still bring meaning and purpose out of your life even when insurmountable circumstances and difficult situations seem to be making your life spiral out of control Santora reveals seven pathways for turning your life around with chapters such as Changing Direction When You're Headed Down the Wrong Road Making Things Right When You've Totally Blown it Regaining Confidence When No One Believes in You Finding Your Way Back When You've Walked Away From God Regaining Life's Composure When Things are Out of Your Control and Finding a Way Out When You Feel Trapped Affirming the importance and worth of each reader Santora shows readers how to turn around even the most difficult life situations Automobile Topics ,1908
