Shrum, 2017-08-30 An utterly fascinating reading of the multiple uses and meanings of mirrors among European Americans African Americans and Native Americans *Journal of Social History* What did it mean Rebecca K Shrum asks for people long accustomed to associating reflective surfaces with ritual and magic to become as familiar with how they looked as they were with the appearance of other people Fragmentary histories tantalize us with how early Americans people of Native European and African descent interacted with mirrors Shrum argues that mirrors became objects through which white men asserted their claims to modernity emphasizing mirrors as fulcrums of truth that enabled them to know and master themselves and their world In claiming that mirrors revealed and substantiated their own enlightenment and rationality white men sought to differentiate how they used mirrors from not only white women but also from Native Americans and African Americans who had long claimed ownership of and the right to determine the meaning of mirrors for themselves Mirrors thus played an important role in the construction of early American racial and gender hierarchies Drawing from archival research as well as archaeological studies probate inventories trade records and visual sources Shrum also assesses extant mirrors in museum collections through a material culture lens Focusing on how mirrors were acquired in America and by whom as well as the profound influence mirrors had both individually and collectively on the groups that embraced them In the Looking Glass is a piece of innovative textual and visual scholarship A superb reflection of the many meanings held by an object usually taken for granted Highly recommended Choice      **Munsey's Magazine** , 1920      **Sunclouds** Octavus Roy Cohen, 1924      *Diary of a Foster Kid Growing Up* T Dog, 2019-06-11 All praise is due to the Creator I thank him for always coming through for me in time on time and for all my ups and downs To all my kids always know that Daddy loves you no matter what To my brothers I love you all My mom thanks for having me I love you To my adoptive parent thanks so much for keeping us all in church It really helped To my foster family I will always love you all no matter what and we are still family Special thanks to all the book clubs bookstores and vendors who are always on their grind And I m saving the most important thanks for last my readers You are the best I really do appreciate all the love and support This one is for you This book is dedicated to my childhood my struggles made me who I am today      **The Broken Mirror** Katharine A.
