The Look of the Past L. J. Jordanova, 2012-09-27 Visual and material sources are central to historical practice and this is a much needed introduction to using artefacts as evidence *Socially Engaged Art History and Beyond* Cindy Persinger, Azar Rejaie, 2021-02-04 What is socially engaged art history Art history is typically understood as a discipline in which academics produce scholarship for consumption by other academics Today however an increasing number of art historians are seeking to broaden their understanding of art historical praxis and look beyond the academy and towards socially engaged art history This is the first book length study to focus on these growing and significant trends It presents various arguments for the social pedagogical and scholarly benefits of alternative community engaged public facing applied and socially engaged art

history The international line up of contributors includes academics museum and gallery curators as well as arts workers The first two sections of the book look at socially engaged art history from theoretical pedagogical and contextual perspectives The concluding part offers a range of provocative case studies that highlight the varied and rigorous work that is being done in this area and provide a variety of inspiring models Taken together the chapters in this book provide much needed disciplinary recognition to socially engaged art history while also serving as a springboard to further theoretical and practical work

A Survival Guide for Art History Students Christina Maranci, 2005 A Survival Guide for Art History Students is designed to help students succeed in art history courses The art history classroom is a unique learning environment that most students first experience in college Survival Guide is sympathetic to this offering practical instruction and guidance for every moment in students coursework from the initial disorientation of their first art history class art in the dark to the challenge of the slide exam Survival Guide gives practical guidance on how to take notes write paper assignments as well as how to study for and take exams It deals with the kinds of questions that students commonly ask but professors seem hesitant to write about Isrit art history a gut course What in the world do you do with a degree in art history Is 500 BC later or earlier than 190 AD and How can I take notes and look up at slides at the same time Designed for student readers Survival Guide is written in a familiar and engaging tone The images discussed and illustrated are primarily those of western art from the ancient to modern eras By focusing on images that are taught in standard art history survey courses Survival Guide reinforces and builds upon course materials

Women Writing Art History in the Nineteenth Century Hilary Fraser, 2014-09-04 This book sets out to correct received accounts of the emergence of art history as a masculine field It investigates the importance of female writers from Anna Jameson Elizabeth Eastlake and George Eliot to Alice Meynell Vernon Lee and Michael Field in developing a discourse of art notable for its complexity and cultural power its increasing professionalism and reach and its integration with other discourses of modernity Proposing a more flexible and inclusive model of what constitutes art historical writing including fiction poetry and travel literature this book offers a radically revisionist account of the genealogy of a discipline and a profession It shows how women experienced forms of professional exclusion that whilst detrimental to their careers could be aesthetically formative how working from the margins of established institutional structures gave women the freedom to be audaciously experimental in their writing about art in ways that resonate with modern readers
