blessing these peoples Seekers after rest; or, The children of Israel from the Exodus to Solomon Harriet Maria Barclay, 1876 **Seekers in the Hands of an Elusive God** Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God **The Journey, eBook** Willow Creek Association, 2012-09-04 You will seek me and find me when you seek me with all your heart Jeremiah 29 13 The Journey is uniquely designed to help you discover the practical aspects of Christianity and better understand God Patterned after the Willow Creek model of ministry and intended for those in the investigative stage of their spiritual journey The Journey's seeker sensitive approach addresses key questions you may have about the Bible and its relevance today Notes and insights are woven throughout the complete NIV Bible text drawing you into the message and pointing the way to a relationship with Jesus Icons trace six seeker themes throughout Scripture Discovering God Addressing Questions Strengthening Relationships Reasons to Believe Knowing Yourself and Managing Resources Also included in The Journey are introductory articles that define key concepts involved in being a spiritually curious seeker book introductions indexes a dictionary concordance and a Faith Alive reading plan covering Genesis Deuteronomy John Acts and Romans NIV 2011 The New International Version NIV translation of the Bible is the world's most popular modern English Bible easy to understand yet rich with the detail found in the original languages *The Illustrative Lesson Notes* John Heyl Vincent, Jesse Lyman Hurlbut, John Thomas McFarland, 1895 The Ministry of the Word, Vol. 29, No. 02: Experiencing, Enjoying, and Expressing Christ (2) Various Authors, 2025-03-05 This issue of The Ministry of the Word contains a complete record of the twelve messages given during the December 2024 semiannual training held in Anaheim California The subject of the training was Experiencing Enjoying and Expressing Christ 2 The Key Statements on the following page embody and summarize the crucial truths and main burdens covered in these twelve messages The Reports and Announcements section contains information concerning upcoming conferences and trainings hosted by Living Stream

Ministry plus a website link to information on similar events in Europe and Israel Midnight Seekers Leroy Mitchell, 2025-01-28 I have always had a strong passion for writing ever since I was twelve years of age I currently have five more works to be published This book is about people who have a void in their lives and are struggling to find the purpose for which they are on the face of this earth This work covers a wide genre of people from all walks of life seeking to know their purpose and mission Some find it and some are born and die without finding their God given purpose for such a time as this However everyone who is born has a God ordained purpose Each individual has the right to seek out God until He reveals what His purpose for their life is When purpose and destiny meet spiritual pregnancy occurs leaving the seeker with unspeakable joy and full of glory This experience leaves them with a higher level of God s mystery and revelation in their lives declaring I will go before thee and make the crooked places straight I will break in pieces the gates of brass Isaiah 45 28 *A Complete Concordance to Science and Health* Albert Francis Conant, 1909 *The Source for Effective Church Service Planning* , 2003 A comprehensive listing of service tested programming material designed to supplement a church s creative process of service planning Second edition **Christianity for Seekers and Skeptics** Clinton W. McLemore, 2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a refreshingly honest approach to questions about Christian beliefs and how someone in the twenty first century can think critically and also have strong faith This is a no nonsense presentation of Christianity that tackles the hard questions head on **Christian Spirituality for Seekers** Roger Haight, 2012 The Spiritual Exercises of Ignatius Loyola composed in the 16th century consist of a sequence of meditations on the life of Jesus aimed at promoting spiritual depth and discernment about how to live In this work Haight has set out to open this classic work to an audience encompassing all spiritual seekers **Cast Out of the Covenant** Adele Reinhartz, 2020-07-07 The Gospel of John presents its readers listeners and interpreters with a serious problem how can we reconcile the Gospel s exalted spirituality and deep knowledge of Judaism with its portrayal of the Jews as the children of the devil John 8 44 who persecuted Christ and his followers One widespread solution to this problem is the so called expulsion hypothesis According to this view the Fourth Gospel was addressed to a Jewish group of believers in Christ that had been expelled from the synagogue due to their faith The anti Jewish elements

express their natural resentment of how they had been treated the Jewish elements of the Gospel on the other hand reflect the Jewishness of this group and also soften the force of the Gospel's anti Jewish comments In *Cast out of the Covenant* this book Adele Reinhartz presents a detailed critique of the expulsion hypothesis on literary and historical grounds She argues that far from softening the Gospel's anti Jewishness the Gospel's Jewish elements in fact contribute to it Focusing on the Gospel's persuasive language and intentions Reinhartz shows that the Gospel's anti Jewishness is evident not only in the Gospel's hostile comments about the Jews but also in its appropriation of Torah Temple and Covenant that were so central to first century Jewish identity Through its skillful use of rhetoric the Gospel attempts to convince its audience that God's favor had turned away from the Jews to the Gentiles that there is a deep rift between the synagogue and those who confess Christ as Messiah and that in the Gospel's view this rift was initiated in Jesus' own lifetime The *Fourth Gospel* Reinhartz argues appropriates Jewishness at the same time as it repudiates Jews In doing so it also promotes a parting of the ways between those who believe that Jesus is the messiah the Son of God and those who do not that is the Jews This rhetorical program she suggests may have been used to promote outreach or even an organized mission to the Gentiles following in the footsteps of Paul and his mid first century contemporaries
