

Looking Back On My Life-2

**So I look back on my life
trying to find a happy moment
to block out the pain
to have something to think about
well they yell
yell about me
yell about my mistake
yell about my life
he blames me**

**she blames him
I blame them
But I can't think of a moment
not of one time I was happy
all I remember is pain
tears
stress
depression
suicidal thoughts
anger
why? Why was I never happy?**

**Why was I always crying?
Why was I always stressed?
Why was I always depressed?
why was i always anger?
Why was I always thinking suicidal thoughts?**

strangers I hope you will enjoy reading this book which I have written about my life You may identify with some of it yourself Have you been to Bermuda or Vancouver Island If not dream along with me friends as this story of mine is true Canada is a great country and as I worked all over it I learned many things one of which was how we accept each other Enjoy *My Life as a Superhero* R. M. Strong, 2004-06 After witnessing the brutal murder of her family 15 year old Tamara Weatherby is adopted by multibillionaire Paul Waterford who just happens to moonlight as the superhero Krino Tamara earns a role at Krino's side but she soon learns that occupational hazards are the least of her challenges She must deal with envious friends over protective relatives and the persistence of the man who took her family away Through her weaknesses and struggles Tamara finds strength courage and confidence that she never knew she had But can she find the will to forgive her family's killer Catch Me Before I Fall Rosie Childs, 2011-08-31 Because she was black Clare Malone was the talk of her Liverpool council estate Her mother and her mother's husband were both white and from birth she was stigmatised for this proof of her mother's infidelity Clare was left in a bare filthy council house to fend for herself and her siblings until aged nine she was placed in the care of an order of strict and often cruel nuns She finally embarked on a settled life as a nanny and pre school teacher but she couldn't escape from herself and the black cloud of her childhood After suffering a breakdown Clare was placed in a series of dehumanising psychiatric hospitals for many years until she was helped to remember the horrifying secret of the childhood she thought she had buried forever Now with support she has rebuilt her life as Rosie Childs and has moved on She is truly happy at last **The Story of the Real Sad Sack** Irving Risch, 2016-03-21 In 1957 there was a movie out called Sad Sack It was a very funny movie with Jerry Lewis who plays Private Meredith Bixby a soldier who couldn't do anything right Then in 1959 he starred in another movie called Don't Give Up the Ship where he manages to lose a ship I recommend you watch both these movies if you want a good belly laugh I also tell you about them because what you are about to read is the true story of the real Sad Sack You might be asking how do I know this Well it is because I lived it Now that I look back on it I can see the humor in it but at the time it was happening I wasn't laughing You might be thinking from the subtitle of this book that this is going to be a story about someone marooned on a little island in the middle of nowhere and how they survived If you did you were wrong But just like the subtitle says part of this story is about living on a remote island in the south Pacific It was south of Japan and part of Japan's Ogasawara Islands chain Even though this island was only 5 miles long and 2 1/2 miles wide it was a very important island and it played a very key role in WWII I know you can get a lot of information about this island on the Internet but in this book I am going to give you some first hand information because I spent 10 1/2 months on this island and during this time a lot happened in my life some funny and some things not so funny The name of this island if you have not guessed it by now is Iwo Jima This island had a nickname It's called The Black Pearl of the Pacific The name came from the fact that all the beaches around the island were black and this was because of the volcanic ash that was mixed with the sand and gave it the black color Yes this was a volcanic island because of the volcanic mountain

on the far end of the island What made Iwo so important was its location and the layout of the island that made a perfect landing field for aircraft during the war Now besides all the history of this Island I will tell you what happen when I drove a bus off the top of Mount Suribachi and when I backed a forty foot lowboy into the side of a C124 aircraft and a few other stories like when everyone on the island got ptomaine poisoning except for two people and How we caught a great white shark with a truck Like I said even though I was only on the island 10 1 2 months a lot happen in my life I will even include a few photos for you Also I will let you in a what happen to me leading up to when and how I ended up on this island and how my life changed after getting off the island This book is going to be full of stories and they are all true The Life and Death of Peter Sellers Roger Lewis,1997 Traces the life and career of the British actor discusses his major roles and depicts his complex and often difficult personality *My Life: Cursed or Blessed?* Karla Johnson,2013-04-24 Graduated High School in 1971 three months pregnant I left my mothers house with my Fianc The only thing I took with me were the clothes on my back the things I read in books the things my Grandmother taught me which mainly involved cooking and cleaning the Bible quotes and old folks tales my Grandmother used to say over and over the few things my mother taught me during her brief and few periods of time into my life and also a very special gift from God which was the ability to play any musical instrument I chose to play I thought I was grown and knew everything What I didn t know was although I was very smart I was also very naive I got married in 1972 and had another baby in 1974 I worked for a police department from 1977 to 1985 I was in the Army National Guard from 1979 to 1985 So many unbelievable things happened to me during that time both good and bad So many more bad things happened than good that I started to think my life was cursed for some reason It started to happen so much that finally I did not want to live any longer **Those were the days of my life** P.R.
