The Third Testament - A Woman's Testimony with Mankind Lin Reeves-Spencer,2017-10-02 Beware You may lose your sensibility Look in the eyes of the three women When you gather enough courage take a deep breath and board this crudely carved tuc tuc Might it be the gateway to unfold mysterious life forms The river will charm you Allow untold beauty of this rain forest flora to lure your imagination into the physical warfare If you dare release all fears as they have become untruths onto your soul Now join these two journeys two strands each inseparably intertwined Hold onto the rope Spencer continues her lifelong travail in pursuit to clarify and to meld confusion of her being into an understandable life path Then emergence of a mysterious physical illness leads her into the grips of yet another journey This story includes other women that you met

earlier in the boat You all provide rungs of Spencer s ladder ascending to her goal and yours A most important character in this more concrete journey is a man fascinating but in a miasma of evil and involved in shocking developments Based on truth the fabulous scuba dives including playful dolphin romantic getaways and captured daydreams all the while drug overlords of greed will excite your primal juices You are guaranteed to greet invisible spirits of the inner spaces own your wanderlust and resolve restlessness of mind travel Between the excitement and exaggerations concerning some of the extraordinary incidents belonging to this physical odyssey are you now able to own fabrication of past remembrances or are they allegoric in nature This hauntingly written and gripping history of a unique journey will remain with the reader long after the final page is turned

The Sun Rose and Angels Cried Willie G,2019-09-03 The story you are about to read is true yes there are stretchers strewn about but the basic story is all too real This story is told through the eyes of Lorraine s little brother Poncho and what he was going through at the time Every morning when I wake up my sister Lorraine invades my mind There s nothing I can do to stop it It wasn t always that way At one time the only thought I had when awakened in the morning was that I did not want to be awakened I hated having to get up How did this happen I don t know and there isn t a doctor in the world who can say they know definitively If they claim they know they re not telling the truth I do know this it started sometime after my sister became pregnant She did not know what to do And at that time in our history in the 60s and early 70s what to do was simple enough marry the guy who knocked you up For my sister and I m sure for many other women it was not that simple Abortion to most it s either a bad thing or a good thing it s good versus evil It s God versus Satan I ve heard that abortion is a social concern I ve heard that abortion is an economic concern I ve heard that abortion is a religious concern I ve heard that abortion is a convenience and that s a concern I ve heard that abortion is a stigma and that s a concern I ve heard that abortion is murder plain and simple I ve heard that abortion is a woman s right after all it s her body plain and simple But it s not so simple is it In the 60s and early 70s abortion was illegal And having one was dangerous unless you had access to the right people And having access to the right people usually meant you had money and lots of it You were paying for a service and to have that service kept secret My family was not rich Then came Roe v Wade and abortion became legal But legal doesn t mean acceptable You see accepting something that was unacceptable especially morally unacceptable takes time For an individual it may take no more time than a ride to the clinic but for groups it takes time days weeks months years This I call delayed acceptance Still for some acceptance never comes When I wake up in the morning I think about my sister s decision And I wonder if she made the decision And I wonder something more nefarious Did someone decide for her And I wonder if things would have been different if Roe v Wade had been there in time
