Looking For Steinbeck's Ghost:

Looking for Steinbeck's Ghost Jackson J. Benson, 2002 A critical appraisal of John Steinbeck **Steinbeck's Ghost** Lewis Buzbee, 2008-09-02 A satisfying mystery that involves a boy who loves books a library threatened with closing and quite possibly the ghost of the writer John Steinbeck *Picturing Migrants* James R. Swensen, 2015-10 As time passes personal memories of the Great Depression die with those who lived through the desperate 1930s In the absence of firsthand knowledge John Steinbeck's *The Grapes of Wrath* and the photographs produced for the New Deal's Farm Security Administration FSA now provide most of the images that come to mind when we think of the 1930s That novel and those photographs as this book shows share a history Fully exploring this complex connection for the first time *Picturing Migrants* offers new insight into Steinbeck's novel and the FSA's photography and into the circumstances that have made them enduring icons of the Depression Looking at the work of Dorothea Lange Horace Bristol Arthur Rothstein and Russell Lee it is easy to imagine that these images came straight out of the pages of *The Grapes of Wrath* This should be no surprise James R. Swensen tells us because Steinbeck explicitly turned to photographs of the period to create his visceral narrative of hope and loss among Okie migrants in search of a better life in California When the novel became an instant best seller upon its release in April 1939 some dismissed its imagery as pure fantasy Lee knew better and traveled to Oklahoma for proof The documentary pictures he produced are nothing short of a photographic illustration of the hard lives and desperate reality that Steinbeck so vividly portrayed In *Picturing Migrants* Swensen sets these lesser known images alongside the more familiar work of Lange and others giving us a clearer understanding of the FSA's work to publicize the plight of the migrant in the wake of the novel and John Ford's award winning film adaptation A new perspective on an era whose hardships and lessons resonate to this day *Picturing Migrants* lets us see as never before how a novel and a series of documentary photographs have kept the Great Depression unforgettably real for generation after generation **Steinbeck Quarterly**, 1993 **The Angelic Mother and the Predatory Seductress** Ashley Craig Lancaster, 2012-06-20 In *The Angelic Mother and the Predatory Seductress* Ashley Craig Lancaster examines how converging political and cultural movements helped to create dualistic images of southern poor white female characters in Depression era literature While other studies address the familial and labor issues that challenged female literary characters during the 1930s Lancaster focuses on how the evolving eugenics movement reinforced the dichotomy of altruistic maternal figures and destructive sexual deviants According to Lancaster these binary stereotypes became a new analogy for hope and despair in America's future and were well utilized by Depression era politicians and authors to stabilize the country's economic decline As a result the complexity of women's lives was often overlooked in favor of stock characters incapable of individuality Lancaster studies a variety of works including those by male authors William Faulkner Erskine Caldwell and John Steinbeck as well as female novelists Mary Heaton Vorse Myra Page Grace Lumpkin and Olive Tilford Dargan She identifies female stereotypes in classics such as *To Kill a*

Mockingbird and in the work of later writers Dorothy Allison and Rick Bragg who embrace and share in a poor white background The Angelic Mother and the Predatory Seductress reveals that these literary stereotypes continue to influence not only society's perception of poor white southern women but also women's perception of themselves **Biography**, 2002

The Writings of Norman Maclean Timothy P. Schilling, 2024-08-20 With a foreword by John N Maclean son of Norman Maclean The Writings of Norman Maclean Seeking Truth amid Tragedy provides the first critical reassessment of this celebrated author's work in more than a decade In his study Timothy P Schilling focuses on Maclean's attempt in *A River Runs through It* and *Other Stories* and *Young Men and Fire* to come to grips with the tragic side of human existence From the 1938 death of his brother Paul to the 1949 deaths of thirteen firefighters in Montana's Mann Gulch wildfire Maclean is driven by a desire to discover ultimate meaning the truth in the face of haunting tragedy Through careful analysis of all of Maclean's published works Schilling highlights the audaciousness of Maclean's quest to wrest free an answer from the universe Ever open to scientific literary philosophical and theological ways of viewing reality Maclean found ambiguity paradoxically to be an essential tool for probing the truth Beyond exploring Maclean's use of this tool Schilling breaks new ground by considering Maclean's invocation of the Transcendentals in *A River Runs through It* noting the sly homage Maclean pays to Izaak Walton examining Maclean's often neglected *Other Stories* assessing Robert Redford's film adaptation of *A River Runs through It* and providing the most thorough exploration of *Young Men and Fire* yet available With this book Schilling offers a current and complete analysis of Maclean one of the most iconic figures in Western American literature

Research Guide to Biography and Criticism: 1990 update, 1985 **The Ox-Bow Man** Jackson J. Benson, 2006-07-27 Walter Van Tilburg Clark author of the classic novel *The Ox Bow Incident* was one of the West's most important literary figures a writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance As a comparatively young man he published three novels and a collection of short stories then remained almost silent for the rest of his life the victim of a paralyzing case of writer's block Now Jackson J Benson one of the country's foremost literary biographers has produced the first full length biography of this brilliant enigmatic and ultimately tragic figure Based on widely scattered sources personal papers and correspondence interviews with family members friends and others and Clark's unpublished stories and poems Benson's biography focuses on Clark's intellectual and literary life as a writer teacher and westerner Benson masterfully balances his engaging account of the experiences people and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career as well as offering up a thoughtful assessment of Clark's place in Western writing In these pages Clark lives again a warm complex and ultimately anguished human being Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major western writer Western American Literature, 2002
