acceptable Utilizing a large mine of mediated imagery men and boys construct and define how to dress act and comport themselves By engaging critical discussions on everything from fashion to domestic space to sports and beyond readers are privy to a modern and fascinating account of the diverse and dominant perceptions of and on Western masculine culture Historical tropes and models are especially important in this construction and influence and impact contemporary variations

**Fit for Consumption** Jennifer Smith Maguire, 2007-09-06 This is the first text to offer a comprehensive socio cultural and historical analysis of the current fitness culture Fitness today is not simply about health clubs and exercise classes or measures of body mass index and cardiovascular endurance Fit for Consumption conceptualizes fitness as a field within which individuals and institutions may negotiate if not altogether reconcile the competing and often conflicting social demands made on the individual body that characterize our current era Intended for researchers and senior undergraduate and postgraduate students of sport leisure cultural studies and the body this book utilizes the US fitness field as a case study through which to explore the place of the body in contemporary consumer culture Combining observations in health clubs interviews with fitness producers and consumers and a discourse analysis of a wide variety of fitness texts this book provides an empirically grounded examination of one of the pressing theoretical questions of our time how individuals learn to fit into consumer culture and the service economy and how our bodies and selves become fit for consumption

**Live and Die Like a Man** Farha Ghannam, 2013-09-04 An anthropologist deconstructs the notion of masculinity using twenty years of field research in the Cairo neighborhood of al Zawiya Watching the revolution of January 2011 the world saw Egyptians men and women come together to fight for freedom and social justice These events gave renewed urgency to the fraught topic of gender in the Middle East The role of women in public life the meaning of manhood and the future of gender inequalities are hotly debated by religious figures government officials activists scholars and ordinary citizens throughout Egypt Live and Die Like a Man presents a unique twist on traditional understandings of gender and gender roles shifting the attention to men and exploring how they are collectively produced as gendered subjects It traces how masculinity is continuously maintained and reaffirmed by both men and women under changing socio economic and political conditions Over a period of nearly twenty years Farha Ghannam lived and conducted research in al Zawiya a low income neighborhood not far from Tahrir Square in northern Cairo Detailing her daily encounters and ongoing interviews she develops life stories that reveal the everyday practices and struggles of the neighborhood over the years We meet Hiba and her husband as they celebrate the birth of their first son and begin to teach him how to become a man Samer a forty year old man trying to find a suitable wife Abu Hosni who struggled with different illnesses and other local men and women who share their reactions to the uprising and the changing situation in Egypt Against this backdrop of individual experiences Ghannam develops the concept of masculine trajectories to account for the various paths men can take to embody social norms In showing how men work to realize a male ideal she counters the prevalent dehumanizing stereotypes of Middle Eastern men all too frequently

reproduced in media reports and opens new spaces for rethinking patriarchal structures and their constraining effects on both men and women

**Praise for Live and Die Like a Man** In a book that lives up to its name anthropologist Ghannam explores what it means to be a man Her thick descriptions amassed over 20 years of research will make readers laugh cry and gasp at the lives of these individuals By examining the construct of manhood Ghannam is charting new territory in Middle Eastern studies

**Summing Up** Highly recommended **CHOICE** With its focus on masculinity Farha Ghannam's thoughtful ethnography Live and Die Like a Man makes important interventions into the anthropological scholarship on gender childhood and family in the Middle East Her ethnographic sensibility perfectly grasps the dynamic and complex intertwining of male and female ways of being and self presentation and how that interrelationship forms men's lives

**Fashionable Masculinities** Vicki Karaminas, Adam Geczy, Pamela Church Gibson, 2022-07-15 Fashionable Masculinities explores the expression of masculinities through constructions of fashion identity style and appearance Essays include musical pop sensation Harry Styles rapper and producer Puff Daddy Sean Combs lumbersexuals spornosexuals sexy daddies and aging cool black daddies This book interrogates and challenges the meaning of masculinities and the ways that they are experienced and lived

**Straights** James Joseph Dean, 2014-08-01 Explores how straight Americans make sense of their sexual and gendered selves Since the Stonewall Riots in 1969 the politics of sexual identity in America have drastically transformed It's almost old news that recent generations of Americans have grown up in a culture more accepting of out lesbians and gay men seen the proliferation of LGBTQ media representation and witnessed the attainment of a range of legal rights for same sex couples But the changes wrought by a so called post closeted culture have not just affected the queer community heterosexuals are also in the midst of a sea change in how their sexuality plays out in everyday life In Straights James Joseph Dean argues that heterosexuals can neither assume the invisibility of gays and lesbians nor count on the assumption that their own heterosexuality will go unchallenged The presumption that we are all heterosexual or that there is such a thing as compulsory heterosexuality he claims has vanished Based on 60 in depth interviews with a diverse group of straight men and women Straights explores how straight Americans make sense of their sexual and gendered selves in this new landscape particularly with an understanding of how race does and does not play a role in these conceptions Dean provides a historical understanding of heterosexuality and how it was first established then moves on to examine the changing nature of masculinity and femininity and most importantly the emergence of a new kind of heterosexuality notably for men the metrosexual and for women the emergence of a more fluid sexuality The book also documents the way heterosexuals interact and form relationships with their LGBTQ family members friends acquaintances and coworkers Although homophobia persists among straight individuals Dean shows that being gay friendly or against homophobic expressions is also increasingly common among straight Americans A fascinating study Straights provides an in depth look at the changing nature of sexual expression in America

**Medicalized Masculinities** Christopher A. Faircloth, 2009-09-04

The first book to examine the male body in relation to the sociology of health and gender      **Gym Bodies** James Brighton, Ian Wellard, Amy Clark, 2020-10-15 Drawing on empirical research this fascinating new book explores the embodied experiences of gym goers and the fitness cultures that are constructed within gyms and fitness spaces Gym Bodies offers a personal interactive ethnographic account of the multiplicity of contemporary gym practices spaces and cultures including bodybuilding CrossFit and Spinning It argues that gym bodies are historically constructed social sensual emotional and political that experience intersects with multiple embodied identities and that fitness cultures are profoundly important in shaping the body in wider contemporary culture This is important reading for students tutors and researchers working in sport and exercise studies sociology of the body health studies leisure cultural studies gender and education It is also a valuable resource for policy makers and practitioners within the fields of sport leisure health and education      **Gender and the Social Construction of Illness** Judith Lorber, Lisa Jean Moore, 2002-08-15 In this text the authors consider the interface between gender as a social institution on one hand and Western medicine as a social institution on the other and analyses issues of power and politics which pervade the study of both topics      **Reducing Bodies** Elizabeth M. Matelski, 2017-05-25 Reducing Bodies Mass Culture and the Female Figure in Postwar America explores the ways in which women in the years following World War II refashioned their bodies through reducing diets exercise and plastic surgery and asks what insights these changing beauty standards can offer into gender dynamics in postwar America Drawing on novel and untapped sources including insurance industry records this engaging study considers questions of gender health and race and provides historical context for the emergence of fat studies and contemporary conversations of the obesity epidemic      *Cultural Encyclopedia of the Body* Victoria Pitts-Taylor, 2008-09-30 Pop culture and the media today are saturated with the focus on the aesthetics of the human body Magazines and infotainment shows speculate whether this or that actress had breast implants or a nose job Americans are not just focusing on celebrities but on themselves too and today have unprecedented opportunities to rework what nature gave them One can now drop in to have cosmetic surgery at the local mall Contemplating the superficial nature of it all grows tiresome and pop culture vultures and students can get a better fix for their fascination with the body beautiful through the cultural insight provided in this amazing set Cultural Encyclopedia of the Body is a treasure trove of essays that explore the human body alphabetically by part detailing practices and beliefs from the past and present and from around the world that are sometimes mind blowing and eye popping Body parts are examined through a multifaceted cultural lens Readers will explore how the parts are understood what they mean to disparate societies how they are managed treated and transformed and how they are depicted and represented The entries draw from many disciplines that are concerned to some degree or another with human bodies including anthropology archeology sociology religion political history philosophy art history literary studies and medicine The encyclopedia proffers information on a number of cultures tribes and customs from East and West Ancient practices to the latest fad which in fact might continue

ancient practices are illuminated Other considerations that arise in the essays include comparisons among cultures the changing perceptions of the body and issues of race gender religion community and belonging ethnicity power structures human rights

*Extreme Sports, Extreme Bodies* Jesper Andreasson, Thomas Johansson, 2018-08-25 This book investigates extreme sports defined as sports in which athletes challenge and transgress societal perceptions of what is humanly possible to achieve in terms of physical training and bodily development performance Situated within a growing body of literature analysing the impact of new training trends on an individual's body identity lifestyle and perception of his/her social surroundings *Extreme Sports, Extreme Bodies* focuses on the gendered and embodied experiences of bodybuilding Ironman triathlon and mixed martial arts Through their ethnographic analysis Andreasson and Johansson present a unique and updated account of the increasing phenomenon of extreme sports and extreme bodies in contemporary Western society grounded in the sociology of sport body studies and embodiment literature
