Looking Back On Tomorrow:

Looking Back on Tomorrow Edward F. Cassidy, 2011-11-21 *Looking Back on Tomorrow* is a Life Story filled with the personal memories and recollections of the author Within each of the early chapters the author captures his emotions and strongest feelings collected and compiled during the many years he lived in Brooklyn New York City and later in New Yorks Catskill Mountains Covering this time span the author manages to express his observations and experiences in verse of great depth impact and insight These are used as a foundation with which he looks forward and makes some stark predictions about what tomorrow may hold in store both for himself as well as for his loved ones In this book the authors everyday life amongst his closest family and friends was used as the basis for numerous international misadventures These tales are not only fascinating and pleasurable to read but are guaranteed to make the reader deeply reflect In fact some may find themselves laughing out loud at one escapade while tearing up at another sometimes even doing both simultaneously It is a remarkable book for people of all ages and genres it has a timeless appeal that is both enjoyable and unforgettable

Looking Back at That Moment Ma Ersi, 2019-12-30 In just a few seconds the tornado had closed in on Yinyin and the others yacht Unprepared for the tornado s presence the tornado engulfed Yinyin and the others and began to spin rapidly along with the ice cold seawater which was like a thin blade cutting through the delicate skin of Yinyin and the others Yinyin wanted to protect herself but she felt that her arms were too heavy How could she control her four limbs at such a speed Or perhaps her limbs had really been severed only the cold blade had numbed her and made her unconscious In her mind even the beloved Lin Ze s face could not be pieced together Fragments of his face were scattered all over the place but no matter what she could not piece them together No tears no blood just brackish water In the end Yinyin did not leave with Yu Zeyu As a result she slowly lost consciousness Her body which was moving with the sea water no longer belonged to her *Don't Throw Away Tomorrow* Robert H. Schuller, 2024-06-11 To mark the golden anniversary of his ministry one of America s most revered ministers offers a profound book of wisdom for a new generation Fifty years ago In 1955 through all of our dreams can become realities A gifted and moving storyteller Schuller offers a personal and inspirational look at the principles that have guided his life and work and explains how they can guide our lives as well Starting with the message of *Don't Throw Away Tomorrow* he discusses such powerful and universal principles as starting with optimism choosing positive values keeping focused clearing the channels of communication and most importantly looking to the Ultimate Authority For 50 years Americans have been watching and listening to Schuller s thoughtful guidance and being inspired by his love of humanity and God This book is a culmination of that wisdom and love delivered and a tribute to the power of possibility thinking
