Anyoha, 2017-08-09 Led to believe that unlocking its power was their only hope of ending a seemingly endless interplanetary race war five girls with extraordinary powers accepted a mission to find the Zeal Orb After two years they have nearly reached their destination Suddenly however they are ambushed and twelve year old Jadeleve is separated from the group Due to a hard blow to her head Jadeleve cannot recall what happened to her or her comrades or even what her enemy looked like After waking up alone in the middle of a jungle with no resources she is forced to use all her skills in order to claw her way back to civilization find her friends and uncover their attackers true motives With her physical abilities already tested to their limits Jadeleve must rely on her mental reserves not only to combat their elusive enemy but to overcome an internal struggle As she grows more doubtful that the Zeal Orb exists and starts to wonder if her efforts to end the war are futile Jadeleve has no choice but to consider the following implications that she was deceived and worse that she is powerless **Grimoire** T A Newman, 2015 My name is Jon Wayward and I was one of the most unremarkable guys you probably never met But then I was hired to find a mysterious pack of tarot cards and that changed my life forever Now I have inherited my grandfather s occult collectors shop his friends customers and ancestor s Book of Shadows called the Wayward Grimoire making me the newest member of the world s secret magical community hidden in plain sight People now tell me I am remarkable even famous as the heir to the Wayward Grimoire But the only thing I seem to be remarkable at is running from reptilian hit men running to a man that looks like mole and holding onto a rare and extremely important pack of tarot cards that have the power to control whom ever you want them to whenever you want them to They say you have to play the cards you re dealt I say it s not the cards you have it s how you play them But what do I know The House on Seaview Road Alison Walsh, 2016-09-01 The House on Seaview Road is a story about first love growing up and about the enduring bonds of sisterhood Perfect reading for fans of Joanna Trollope and Maggie O Farrell Marie Stephenson has decided that it s her last summer in Seaview just a few months left before she can break free of her suburban home go out into the world and make her mark If only it weren t for the promise she made to her dying mother This promise to look after her younger sister is one she has always kept even though Marie sometimes feels that the cosseted Grainne doesn t deserve it But then the sudden appearance of intense rebellious Con on Seaview Beach one afternoon changes everything As her innocence comes to a sudden and shocking end Marie must make some choices about her future But will she find the courage to become the woman she was meant to be Evil Seed C.
