**Loosestrife** Greg Delanty, 2011 These poems are a chronicle of complicity in our modern lives a witnessing of war and the destruction of our planet It is also an attempt to adjust the more destructive blueprint myths of our society Often our cultural memory tells us to keep quiet about the aspects that are most challenging to our ethics to forget the violations we feel and tremors that keep us distant and numb If we begin to face and speak and create from these human aftermaths as these poems do then we can change and become more comfortable with healthier ways of being alive
