Crowley instead decided this is the first science fiction novel After all it s fiction it s about the possibilities of a science and it s a novel No matter what else it might be it s definitely one of the great outlandish stories in Western literature Illustrated throughout with weird and fascinating woodcuts by Theo Fadel Luzifer Lucia Leman, 2011-10-27 Like Salman Rushdies Satanic Verses the poetry volume Lucifer 2000 by the Croatia born Lucia Leman caused a huge outcry and a fatwah on its author immediately upon its release The award winning poet was vilified by the Croatian press and refused work on all state institutions for having written a shattering verse narrative told from the perspective of an incest victim Apart from having to face her own daily nightmares sourced in the severe sexual abuse from an alcoholic parent the incest survivor has to face the humiliations from a community well aware of her secret The scandal around Lemans book was caused by her own parents closely associated with the conservative Croatian government In effect a public vendetta was launched where Leman was condemned not on the grounds of giving a false testimony against her parents but for causing a blow to an imagined family honour In a country wanting a viable democratic structure for a EU membership Leman was seen as transgressing against the unwritten law of male ownership over women and children Lucifer was acquired by the Croatian Ministry of Culture and distributed to the public libraries launching Leman as a full time writer She has been compared to Sylvia Plath and Eve Ensler
