Lord And His Prayer:

The Lord and His Prayer N. T. Wright, 2014-09-05 This book began life as a series of sermons preached in Lichfield Cathedral in Advent 1995 Prologue

The Lord's Prayer C. Clifton Black, 2018-12-04 C Clifton Black provides a thorough analysis of the most famous prayer in the Christian church the Lords Prayer He begins with an impressionist painting of how the ancients prayed during Jesus time in order to set the context for understanding the prayer he taught his disciples Throughout the book Black systematically interprets the rich meanings of each part of the Lords prayer Additionally he includes an overview of Christian thought on the Lords Prayer from early church mothers and fathers like Tertullian and Teresa of Avila to modern theologians like Karl Barth Uniquely this book is an academic study of the Lords Prayer with a focus on the rhetorical culture from which it developed as well as the theological literary and historical meanings of the prayer itself

I Can Learn to Pray the Lord's Prayer the Prayer of the Kingdom Winsome Walters, 2008-07 Appropriately this absolutely fascinating book carries the title of the most perfect prayer we know the one the Lord Jesus Christ Himself taught us to pray to impart to us the true principle of spiritual prayer I Can Learn to Pray The Lord s Prayer The Prayer of the Kingdom is for anyone who wants to know God better as Father This book is unique for its simplicity and direct appeal to the deepest religious yearnings of mankind It is within itself the answer to the heartfelt prayer of anyone who has expressed the dominant concern to seek but have not found the One in tune with the diverse challenges and joys of their life Each chapter has instructional writings and thought provoking meditations along with inspirational quotations from the Bible and the writing is expressed in a Father child interactive conversation It is the book s intent that countless numbers of people will be guided to lives made happier richer and nobler by the wisdom gathered in its pages Winsome Walters had an unlikely beginning for the Christian life Her father hard working and devout sternly reminded her I want my children to serve God But although she was devoted to the ideals of her father s moral teachings Ms Walters was not prepared to commit to his exacting spiritual ambitions and so she decided I ll get away from God and find my freedom But when God wants to find you He knows where you are even if you re miles away spiritually playing hide and seek As a result of a remarkable experience in her life Ms Walters gave her heart to the Lord With exceptional tenacity she continues her love for Christ at an unstoppable pace Her commitment to loving God combined with the empathy care and love she has for those whom Christ died has inspired her to write this book

The Lord's prayer illustrated by the Lord's life, by A.T.M., ed. by A.G.M. Meugens A T. Meugens, 1894

The Lord's Prayer (Touchstone Texts) William M. IV Wright, 2023-02-28 Since the beginning of Christianity the Lord s Prayer has occupied an important place in the lives of Jesus s disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord s Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God s Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak

afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School

On Earth as in Heaven David Clark, 2017-04-10 Convinced that we can no longer have direct unmediated access to the sense of Jesus's prayer but must account for the history of its effects David Clark seeks to trace the meaning of one of Christianity's most repeated and thus most effective texts through the early centuries of the faith Clark begins by arguing that the prayer's original context was in a revival of Jewish prayer then sets it in the literary context of Gospels that he argues represented Jesus as recapitulating Israel's testing in the wilderness in his own temptation He then traces the prayer's meaning within the narratives of Matthew and Luke and in the Didache then examines the first full commentary on the prayer that of Tertullian in the third century CE Clark attends to the evolution of ideas and themes embodied in the prayer and of the understanding of prayer itself across epic transitions from Judaism to the teaching of Jesus from Jesus to the Gospels and from the Gospels to earliest self-consciously catholic Christianity This is an engaging narrative of the history behind and reception of the Lord's Prayer it illustrates how a text's reception may help us explore and understand the multivalent meaning of the text itself

The Lord and His Prayer Nicholas Thomas Wright, 1997 Taking the Lord's Prayer clause by clause Wright locates this prayer within the historical life and work of Jesus and allows the prayer's devotional application to grow out of its historical context Back cover

The Prayer Of Faith Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers' minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so-called miracles they perform for them The power and true benefits are now shifting to false miracle-working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It

explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the least we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on **The Lord's Prayer** R. T. Kendall, 2010-03-01 No prayer is better known or more misunderstood than the prayer Jesus provided in his Sermon on the Mount Turning a keen eye to this much loved topic Dr R T Kendall unlocks the transforming truths of what we now call the Lord's Prayer With wisdom and depth he offers thoughtful exposition on the life changing revelations contained in each line of this amazing prayer including interpreting and praying in the will of God the purpose of the Lord's Prayer when to pray the Lord's Prayer how unanswered prayer can be a sign of God's favor misusing the Lord's Prayer why pray at all and more Readers will come away not only with a model for prayer but with a revolutionary way to pray effectively while drawing closer to the Father
