## **Lord Berners The Last Eccentric:**

*Lord Berners* Sam Leith, 2012-10-04 Here lies Lord Berners One of life's learners Thanks be to the Lord He was never bored So reads the epitaph on the gravestone of Lord Berners In its witty way it hints at his range of accomplishment He was a composer admired by Stravinsky writer painter aesthete and eccentric indeed in Mark Amory's words *The Last Eccentric* famously dyeing the pigeons at his house Faringdon in vibrant colours and for a time having a giraffe as a pet and tea companion His literary and artistic milieu was glittering Stravinsky Picasso Salvador Dali Siegfried Sassoon John Betjeman the Sitwells Harold Nicolson Frederick Ashton and Gertrude Stein they all belonged to it In fiction he was famously portrayed as Lord Merlin in Nancy Mitford's *The Pursuit of Love* As social history and a chronicle of a mad cap English eccentric this long awaited much needed and beautifully written book is to use a simple cliché indispensable Alexander Waugh Literary Review In Amory this engaging character has found the ideal biographer Getting the exact measure of its subject throughout written in a dry wittily ironic prose the biography offers of sheer bliss Gilbert Adair Sunday Times *Queen Bees* Siân Evans, 2016-09-08 ENORMOUS FUN GUARDIAN SO ENTERTAINING THE TIMES GOSSIPY LIGHT AND FUN TLS *Queen Bees* looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart *Queen Bees* is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses' backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can still be felt today

*Radclyffe Hall* Richard Dellamora, 2011-05-31 *The Well of Loneliness* is probably the most famous lesbian novel ever written and certainly the most widely read It contains no explicit sex scenes yet in 1928 the year in which the novel was published it was deemed obscene in a British court of law for its defense of sexual inversion and was forbidden for sale or import into England Its author Radclyffe Hall was already well known as a writer and West End celebrity but the fame and notoriety of that one book has all but eclipsed a literary output of some half dozen other novels and several volumes of poetry In *Radclyffe Hall A Life in the Writing* Richard Dellamora offers the first full look at the entire range of Hall's published and unpublished works of fiction poetry and autobiography and reads through them to demonstrate how she continually played with the details of her own life to help fashion her own identity as well as to bring into existence a public lesbian culture

Along the way Dellamora revises many of the truisms about Hall that had their origins in the memoirs of her long term partner Una Troubridge and that have found an afterlife in the writings of Hall's biographers. In detailing Hall's explorations of the self Dellamora is the first seriously to consider their contexts in Freudian psychoanalysis as understood in England in the 1920s. As important he uncovers Hall's involvement with other modes of speculative psychology including Spiritualism, Theosophy and an eclectic brand of Christian and Buddhist mysticism. Dellamora's Hall is a woman of complex accommodations able to reconcile her marriage to Troubridge with her passionate affairs with other women and her experimental approach to gender and sexuality with her conservative politics and Catholicism. She is above all a thinker continually inventive about the connections between selfhood and desire, a figure who has much to contribute to our own efforts to understand transgendered and transsexual existence today.

**British Literature and Classical Music** David Deutsch, 2015-09-24. British Literature and Classical Music explores literary representations of classical music in early 20th century British writing. Covering authors ranging from T. S. Eliot and Virginia Woolf to Aldous Huxley, H. G. Wells and D. H. Lawrence, the book examines literature produced during a period of widely proliferating philosophical, educational and performance oriented musical activities in both public and private settings. David Deutsch demonstrates how this proliferation caused classical music to become an increasingly vital element of British culture and a vehicle for exploring contentious issues such as social mobility, sexual freedoms and international political rivalries. Through the use of archives of concert programs, cult novels and letters written during the First and Second World Wars, the book examines how authors both celebrated and satirized the musicality of the lower middle and working classes, same sex desiring individuals and cosmopolitan promoters of a shared European culture to depict these groups as valuable members of and less frequently as threats to British life.

**The Country Houses of Shropshire** Gareth Williams, 2021. A gazetteer of the many fine Shropshire country houses which covers the architecture, the owners' family history and the social and economic circumstances that affected them. Shropshire is the largest English inland county and has a wide variety of important landed country houses with owners from diverse social groups with links to trade in Liverpool, Manchester and London as well as the local gentry. This book is not simply about the houses they built but also about the people who lived in them and the context in which the houses are set. The architecture is of course fully covered. What is distinctive about the author's approach is that he treats the histories of the families, their artistic tastes and their estates as an integral part of the character of each house. Country houses can serve as a barometer of national tastes and of the social and economic times in which they were built. The work includes reference to the important

Siegfried Sassoon Jean Moorcroft Wilson, 2003 The World War I poet Siegfried Sassoon is one of the twentieth century's greatest icons and Jean Moorcroft Wilson is the leading authority on him In Siegfried Sassoon The Journey from the Trenches the second volume of her best selling authorized biography Wilson completes her definitive analysis of his life and works exploring Sassoon's experiences after the Great War For many people Sassoon exists primarily as a First World War poet and bold fighter who earned the nickname Mad Jack in the trenches and risked Court Martial possibly the firing squad with his public protest against the War Much less is known about his life after the Armistice Wilson uncovers a series of love affairs with such larger than life characters as Queen Victoria's great grandson Prince Phillip of Hesse the flamboyant Ivor Novello and the exotic and bejeweled Hon Stephen Tennant This period also sees Sassoon establishing close friendships with some of the greatest literary figures of the age Hardy Beerbohm E M Forster and T E Lawrence among them Sassoon himself said that most people thought he had died in

1919 But Wilson shows that his poetry is if anything more powerful in the second half of his life Based on a decade of meticulous research and interviews with many who knew Sassoon well much of the material is published here for the first time Siegfried Sassoon *The Journey from the Trenches* completes a fascinating story that is beautifully told **Siegfried Sassoon - The First Complete Biography of One of Our Greatest War Poets** John Stuart Roberts, 2015-02-28 Siegfried Sassoon is mostly remembered for the devastating poetry he wrote during World War One as a result of leading his troops over the top to certain death This episode in his life when he was sent to military hospital suffering from shell shock and his heroic return to the Front is covered extensively in his own writing and has overshadowed his later literary output But his more mature poetry is resuscitated in this sensitive exhaustively researched biography As well as recounting the friendships Siegfried famously had with fellow poets Robert Graves and Wilfred Owen Roberts delves into the more private arena of Sassoon's covert homosexuality and his ill fated marriage We learn about Sassoon the passionate golfer and bloodthirsty fox hunter all of which adds greater depth to this complex man Roberts also digs deep into his subject's psyche to reveal a fixation with father figures which started during the War when he was under analysis and arose from the early death of his father and uncovers new sources of information concerning Sassoon's conversion to Catholicism This fresh material means that the earlier life is somewhat neglected but then as Sassoon himself said My real biography is my poetry **Noble Ambitions** Adrian Tinniswood, 2021-09-21 A rollicking tour of the English country home after World War II when swinging London collided with aristocratic values As the sun set slowly on the British Empire its mansions fell and rose Ancient families were reduced to demolishing the parts of their stately homes they could no longer afford dukes and duchesses desperately clung to their ancestral seats and a new class of homeowners bought their way into country life A delicious romp *Noble Ambitions* pulls us into these crumbling halls of power leading us through the juiciest bits of postwar aristocratic history from Mick Jagger dancing at deb balls to the scandals of Princess Margaret Capturing the spirit of the age historian Adrian Tinniswood proves that the country house is not only an iconic symbol but a lens through which to understand the shifting fortunes of the British elite in an era of monumental social change *Uncloseting Drama* Nick Salvato, 2010-10-26 In this work modernism is illuminated through little known but striking works by Ezra Pound Gertrude Stein and others who revived the closet drama plays written largely for private reading as a means of exploring forbidden sexualities **Behind the Mask** Matthew Dennison, 2015-06-09 A dazzling new biography of Vita Sackville West the 20th century aristocrat literary celebrity devoted wife famous lover of Virginia Woolf recluse and iconoclast who defied categorization In this stunning new biography of Vita Sackville West Matthew Dennison's *Behind the Mask* traces the triumph and contradictions of Vita's extraordinary life His narrative charts a fascinating course from Vita's lonely childhood at Knole through her affectionate but open marriage to Harold Nicolson during which both husband and wife energetically pursued homosexual affairs Vita most famously with Virginia Woolf and through Vita's literary successes and disappointments to the famous gardens the couple created at
