**You Are Today’S Women of the Bible and I Can Prove It** Darci Jeffries,2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldnt be pastors or leaders of the church because of their gender In *You Are Today’s Women of the Bible and I can prove it* author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how today’s women still have significant impact influencing people for Gods kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how its because of those women and the roles they played in Biblical history that today’s women have the same level of influence Inspiring today’s women to achieve all they can *You Are Today’s Women of the Bible and I can prove it* seeks to get more women working with others for Gods kingdom and to help them understand how important they are in Gods workplace

*What Makes This Day Different?* David J. Schlafer,1998-01-25 Schlafer looks at the preacher s task at the high times of the church and the secular year those occasions on which expectations run high and emotions can be intense He explores the temptations and pitfalls of preaching at weddings and funerals baptisms and ordinations civic holidays like Memorial Day and Thanksgiving and the high holy days of Christmas and Easter He also discusses preaching at times of tension and conflict in the church the responsibilities of a guest preacher and how to handle preaching missions and retreats Included in each chapter are helpful summaries of what to include and avoid in sermon preparation as well as excerpts of sermons illustrating the principles he outlines

*I Could Use a Miracle Right Now* John Webb Kline,2004 The movie *The Passion of The Christ* dramatically conveyed the price that

Jesus paid on the cross to redeem the sins of the world John Webb Kline's new book *I Could Use a Miracle Right Now* profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can. It is a story about one man's life-long encounter with the Living Christ, a story that one might call *The Passion of the Christian*. It is a must-read for any true seeker of truth or follower of Christ. Author John Webb Kline describes his inspiring new book as a *Workingman's Theology*, a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face. Based on stories from his own often tumultuous yet miracle-filled life, Webb brings us to the amazing discovery that not only is God's intervention for our lives real, but it is also there for each and everyone of us, hidden only by our rational worldviews and unbelief. This is a book about hanging on to faith when it would seem perfectly reasonable not to; a book for the faithless and faithful alike; it is a book for those who are feeling so hurt, so angry, or so left out of God's will that they have nothing left but the desire to curse God and die. In today's world, it very well could be your own handbook for survival. Heart to Hand Ministries director Woody Wolfe has this to say about *I Could Use a Miracle Right Now*: Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives, even when the world had blurred our vision. Webb's uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me. I wish this book would have been around during those first days of my full-time ministry when I was still looking to the world for affirmation. To truly understand that God is already knocked out about us gives us the freedom to be just who we are, and Webb has brought that vision of the uncompromising love of God to these pages. *Prayers of Faith* Faith Annette Sand, 1996. A powerful prayer life is available to everyone, claims author, mother of ten, eight adopted children. At age 24, I suddenly found myself deep in the jungles of Brazil, the mother of eight children whose ages ranged from not quite two up to nine. But the really hard part was being married to an abusive, unfaithful missionary husband. Explains Ms. Sand when describing what made her turn to prayer: "None of my academic training or experience in the church prepared me to face the rigors of jungle living under these adverse circumstances. We had no electricity for eleven of the 15 years I lived in Brazil, raising my family. The missionary community was either in denial about what was happening or implied that I deserved the abuse. Discovering that God was willing to answer prayers began Ms. Sand on a wonderful odyssey of learning to trust God for the smallest details of her life in bringing up her family. In her book *Prayers of Faith: On Learning*

to Trust God she points out the basic principles of prayer that anyone can use to develop a bold relationship with the Creator of the Universe      *What Southern Women Know about Faith* Ronda Rich,2010-03-28 C 1 ST AID BARNES NOBLE 02 01

**Christianity** Thomas C. Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity      *Help! How Do I Pray?* Mikal Keeker,2018-02-27 A good prayer life isn t about how you pray It s about who you re praying to Help How Do I Pray is a portable practical guide that takes the guilt and intimidation out of prayer by replacing how to recipes and formulas with a focus on who you re praying to Jesus You will Be freed from the guilt of not praying the right way Experience greater confidence as prayer moves from dutiful and boring to natural and effortless like talking to a friend Find easy doable ideas for fresh ways to pray Explore Scripture references that seamlessly connect prayer to Bible reading Use journaling opportunities to demonstrate how your prayer life has deepened Easy to gift Help How Do I Pray is part of a new Jesus centered series of practical guides that are natural gifts for adults and teens wanting to grow in their relationship with Jesus Collect and share the whole set      **One-Minute**

**On My Knees** Chris Band, 2016-10-21 Life has a tendency to knock our confidence in prayer In the face of persistent difficulties our prayer fuelled hopes can be overwhelmed by such despair that we end up on our knees not so much in prayer as in defeat In this honest and engaging book Chris Band discusses the issues that we may have about prayer but were perhaps afraid to ask Is prayer wasted effort Is God less involved in the world than we might wish Is his will going to be done anyway whether or not we pray We discover that our prayers far from being squandered by God are powerfully and consistently used by him both to build his relationship with us and to build his Kingdom through us On My Knees examines our understanding of who God is and how he works in the world taking us beyond proof texts and wishful thinking to the heart of what the Bible actually teaches about prayer This encouraging and practical book will inspire and lead each of us afresh to be on our knees in prayer
