London Docklands Brian C. Edwards, 2013-10-22 London Docklands Urban Design in an Age of Deregulation discusses the process and products of the first 10 years of the London Docklands The book is comprised of 10 chapters that are organized into three parts The first part talks about the potentials of the London Docklands The second part presents the area of studies which are the Isle of Dogs Surrey Docks Wapping and the Royal Docks The last part deals with the observations and speculations The text will be a great source to urban planners particularly those who are involved in projects that deal with cities that are in close proximity to large bodies of water Intertwining: Steven Holl, 1996-04 To his earlier articulated concept of anchoring which connects a construction with the history of the ground locale and region Holl adds the concept of intertwining which is illuminated by sensory perceptual conceptual and emotional experiences Illustrates with drawings plans and photographs projects in Japan Finland Germany Switzerland Holland Korea and Norway No index Annotation copyright by Book News Inc Portland OR **Architectural Possibilities in the Work of Eisenman** Michael Jasper, 2022-11-11 This book examines the central decades of Peter Eisenman's work through a formal and thematic analysis of key architectural projects and writings revealing underlying characteristics and arguing for their productive continuity and transformative role The book explores Eisenman's approach to architectural form generation and thinking It does this through a thematic and formal analysis of projects and writings from the mid 1970s to the mid 1990s Following an introductory chapter addressing the theme of potentialities the book is organised in two parts The first part focuses on key period writings of Eisenman framing the close reading around a practice of resistance the architect's approach to history as analysis and the transformative conceptualisation of time In the second part the book undertakes an analysis of select projects from the 1980s and 1990s Three formal preoccupations and conceptual orientations ground manipulations figuration and spatial events organise this part of the book Previously unpublished material from the Peter Eisenman fonds Canadian Centre for Architecture Montreal provides primary source material A concluding chapter addresses Eisenman's teaching its relation to his larger project and possible legacies for educators practitioners scholars and theorists **Lotus International**, 2001 Avery Index to Architectural Periodicals. 2d Ed., Rev. and Enl Avery Library, 1993 *The Politics of Architectural Pedagogy in Iran* Ali Javid, 2024-08-26 The Politics of Architectural Pedagogy in Iran explores the evolution of architectural pedagogy during two significant socio political upheavals in Iran The White Revolution 1963 and the Islamic Revolution 1979 It examines how these transformative periods influenced the field providing valuable insights into the intersection of architectural education and broader socio political shifts in Iran By examining the critical role of education in achieving geopolitical objectives during the Cold War this book explores architectural pedagogy as an agent for resistance and revolution It highlights how architectural pedagogy not only reflects radical ideologies but also actively engages in socio political transformation The book uncovers how architectural pedagogy became one of the mechanisms to accomplish

revolutionary goals This is evident in initiatives like the Pedagogical Revolution during the White Revolution 1963 aimed at modernizing educational institutions and the Revolutionary Pedagogy during the Islamic Revolution 1979 which sought to serve the masses and the religious revolutionary society In this way the book adds a new geopolitical perspective to the contemporary discourse of radical pedagogies This book explores the intricate connections between architectural pedagogy and politics through a transdisciplinary approach It analyzes original multilingual documents including political agendas cultural agreements curricula teaching methods student works exhibitions and conferences It will be of interest to architectural historians and architecture students particularly those interested in Global South development modernism architectural pedagogy international relations and Middle Eastern studies Avery Index to Architectural Periodicals Avery Library,1997 *Aldo Rossi* Aldo Rossi,1993 Admired as much for his artistic ability as for his architectural skill Rossi has exhibited at galleries around the world **Publishers Weekly** ,1987 **Many Urbanisms** Martin J. Murray,2022-02-15 Winner 2023 Choice Outstanding Academic Title Now for the first time in history the majority of the world s population lives in cities But urbanization is accelerating in some places and slowing down in others The sprawling megacities of Asia and Africa as well as many other smaller and medium sized cities throughout the Global South are expected to continue growing At the same time older industrial cities in wealthier countries are experiencing protracted socioeconomic decline Nonetheless mainstream urban studies continues to treat a handful of superstar cities in Europe and North America as the exemplars of world urbanism even though current global growth and development represent a dramatic break with past patterns Martin J Murray offers a groundbreaking guide to the multiplicity heterogeneity and complexity of contemporary global urbanism He identifies and traces four distinct pathways that characterize cities today tourist entertainment cities with world class aspirations struggling postindustrial cities megacities experiencing hypergrowth and instant cities or master planned cities built from scratch Murray shows how these different types of cities respond to different pressures and logics rather than progressing through the stages of a predetermined linear path He highlights new spatial patterns of urbanization that have undermined conventional understandings of the city exploring the emergence of polycentric fragmented haphazard and unbounded metropolises Such cities he argues should not be seen as deviations from a norm but rather as alternatives within a constellation of urban possibility Innovative and wide ranging *Many Urbanisms* offers ways to understand the disparate forms of global cities today on their own terms Art Index Alice Maria Dougan,Margaret Furlong,1997 The Publishers Weekly ,1982 **Current Architecture** Charles Jencks,William Chaitkin,1982 *Support and Resist* Nina Rappaport,2007 As architectural projects have grown larger and more complex as materials have become more specialized and advanced as the world s cities have developed in size and density the collaborative partnership of architects and structural engineers has gained prominence Many of the major works of the early twenty first century would have been difficult to build or even conceive without the contributions of firms like Ove Arup Partners Buro Happold and Mutsuro

Sasaki Partners to name just a few Support and Resist is the first book to focus on the revolution in engineering culture in which structure shares the stage with design In profiles of fourteen American and international engineers and more than thirty case studies Nina Rappaport details facets of this revolution collaboration intuition structural integration hybrid structures structure as decoration computer workflow and fabrication technologies **Off the Radar** Brian Carter,Annette LeCuyer,2003-04-14 Off the Radar presents work from countries as diverse as Iceland Portugal Chile India and Guinea and features contributors who are successfully designing and building at the very edges of the world Successful off the radar contributors bring a refreshing change to the discussion on architectural design today Presents new work set in unfamiliar surroundings much of which has not been widely published before It features interviews with well known architects including John Patkau from Vancouver and German del Sol from Santiago and contributions from John Tuomey from Dublin and Greg Dykkers of Snohetta in Oslo **Construction of the urban place** ,1988 **Floor Plan Manual Housing** Oliver Heckmann,Friederike Schneider,2017-10-10 Revised edition of the reference work The Floor Plan Manual Housing has for decades been a seminal work in the field of architecture In its 5th revised and expanded edition approximately 160 international housing projects built after 1945 are documented and analyzed The focus is on exemplary and transferrable projects and on innovative and trendsetting concepts The systematic representation of all projects allows the reader to compare and evaluate various floor plans and to be inspired by the wealth of ideas and strategies for one s own design work The introductory theoretical and historical essays have been newly written or updated and offer a structured overview of the residential housing typology and its development Fifth revised edition with new projects and contributions With upgraded visual appearance and a new key color Access to the content is facilitated by various index functions **Ulrich's Periodicals Directory** ,1990 Iskustva prošlosti Miloš R.
