

Lough Derg

Peter Harbison

Lough Derg:

Writing Lough Derg Peggy O'Brien, 2006-09-18 The overarching purpose of this volume is to show how a discrete tradition of writing about Lough Derg a pilgrimage site in northwest Ireland helped contemporary Irish poets rescue free metaphysical inquiry from the grip of nationalism Linked with the supernatural pagan times Lough Derg had by the early twentieth century become an icon of the fusion of the Catholic Church and the Irish nation Surveying treatments of Lough Derg from William Carleton through Denis Devlin Patrick Kavanaugh and ultimately Seamus Heaney Peggy O'Brien addresses the role of spirituality in an increasingly cosmopolitan postmodern post Catholic Ireland Her extended treatment of Heaney culminates in an insightful juxtaposition with the Polish poet Czeslaw Milosz who also struggled with the conflation of Catholicism and patriotism **The Story of St. Patrick's Purgatory** Shane Leslie, 1917 **Lough Derg and Its**

Pilgrimages Daniel O'Connor, 1879 *Pilgrimage in Ireland* Peter Harbison, 1995-06-01 The landscape of Ireland is rich with ancient carved stone crosses tomb shrines Romanesque churches round towers sundials beehive huts Ogham stones and other monuments many of them dating from before the 12th century The purpose and function of these artifacts have often been the subject of much debate Peter Harbison proposes in this book a radical hypothesis that a great many of these relics can be explained in terms of ecclesiastical pilgrimage He has constructed a fascination theory about the palace of pilgrimage in the early Christian period placing it right at the center of communal life The monuments themselves make much better sense if it looked at in this light as having come into existence not through the practices of ascetic monks but because of the activities of pilgrims He begins by searching the historical sources in detail for evidence of early pilgrimage sites By examining their monuments he projects the findings to other locations where pilgrimage has not been documented He goes on to describe monument types of every kind and to identify pilgrims in sculpture surviving from before AD 1200 The Dingle Peninsula in Kerry proves to be a microcosm of pilgrimage monuments enabling the author to reconstruct a tradition of maritime pilgrimage activity up and down the west coast of Ireland Indeed the famous medieval traveler's tale of the fabulous voyage of the St Brendan the Navigator can now be seen as the literary expression of a longstanding maritime pilgrimage along the Atlantic seaways of Ireland and Scotland reaching Iceland Greenland and even North America

Passage to the Center Daniel Tobin, 2014-07-11 Nobel Laureate Seamus Heaney author of nine collections of poetry and three volumes of influential essays is regarded by many as the greatest Irish poet since Yeats *Passage to the Center* is the most comprehensive critical treatment to date on Heaney's poetry and the first to study Heaney's body of work up to *Seeing Things* and *The Spirit Level* It is also the first to examine the poems from the perspective of religion one of Heaney's guiding preoccupations According to Tobin the growth of Heaney's poetry may be charted through the recurrent figure of the center a key image in the relationship that evolved over time between the poet and his inherited place an evolution that involved the continual re-evaluation and re-vision of imaginative boundaries In a way that previous studies have not Tobin's

work examines Heaney's poetry in the context of modernist and postmodernist concerns about the desacralizing of civilization and provides a challenging engagement with the work of a living master Lough Derg Patrick Kavanagh, 1978

Heaven Can Wait Diana Walsh Pasulka, 2015 After purgatory was proclaimed an official doctrine of the Catholic Church in the thirteenth century its location became a topic of heated debate and philosophical speculation Over the centuries the debate surrounding purgatory has never ended even today members of post millennial purgatory apostolates maintain that purgatory is an actual physical place *Heaven Can Wait* provides crucial insight into the theological problem of purgatory's materiality or lack thereof over the past seven hundred years *The Rough Guide to Ireland* Margaret Greenwood, Mark Connolly, 2003 Including detailed guidance to exploring the countryside and historic sites this fully revised guide offers a complete picture of the beautiful island of Ireland north and south of color photos

Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century *Irish Writing in the Twentieth Century* provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into

Medieval Invasions in Modern Irish Literature J. Ulin, 2013-11-13 *Medieval Invasions in Modern Irish Literature* offers the first book length treatment of the literary return to and reinterpretation of Giraldus Cambrensis's twelfth century *The History of the Conquest of Ireland* Writers studied include W B Yeats Lady Gregory James Joyce Sean O Faol in Miche l Mac Liamm ir Brendan Behan and Jamie O'Neill
