Robert Louis Stevenson

Louis And The Night Sky:

Louis and the Night Sky Nicola Morgan, 1993 Louis hardly ever had trouble falling asleep But this night even though he had been cuddled and snuggled Louis was thirsty and hot and fidgety Then he had a wonderful idea He would find a better planet to live on Some place where the lights would be on all night long **Louis and the Night Sky** Nicola Morgan, 1993-04 A wonderful introduction to the planets that make up our solar system **Under the Wide and Starry Sky** Nancy Horan, 2014-09-23 NEW YORK TIMES BESTSELLER TODAY SHOW BOOK CLUB PICK NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST LOUIS POST DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much anticipated second novel which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife Fanny At the age of thirty five Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium with her three children and nanny in tow to study art It is a chance for this adventurous woman to start over to make a better life for all of them and to pursue her own desires Not long after her arrival however tragedy strikes and Fanny and her children repair to a quiet artists colony in France where she can recuperate Emerging from a deep sorrow she meets a lively Scot Robert Louis Stevenson ten years her junior who falls instantly in love with the earthy independent and opinionated belle Americaine Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr Jekyll and Mr Hyde* In time though she succumbs to Stevenson's charms and the two begin a fierce love affair marked by intense joy and harrowing darkness that spans the decades and the globe The shared life of these two strong willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson's own unforgettable tales Praise for *Under the Wide and Starry Sky* A richly imagined novel of love laughter pain and sacrifice *Under the Wide and Starry Sky* is a dual portrait with Louis and Fanny sharing the limelight in the best spirit of teamwork a romantic partnership USA Today Powerful flawless a perfect example of what a man and a woman will do for love and what they can accomplish when it's meant to be Fort Worth Star Telegram Horan's prose is gorgeous enough to keep a reader transfixed even if the story itself weren't so compelling I kept re-reading passages just to savor the exquisite wordplay Few writers are as masterful as she is at blending carefully researched history with the novelist's art The Dallas Morning News A classic artistic bildungsroman and a retort to the genre a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance The New York Times Book Review **Planets** Jennifer Overend Prior, 2001 Literature based across the curriculum Cover **Louis in the Land of Tetra** Frank J. Ling, 2018-06-19 In this story Louis in the Land of Tetra young Louis and Crystal find themselves in the midst of terrifying danger They have to face the horrible Zombos struggle to protect themselves from the rampaging Zeros and stand against the cunning Shadow Warriors Discovering their own potentials and learning to work together helps them to survive They soon realize that their ability to succeed depends on

faith love and hope This journey will take them to new place where all things are possible Louis and Zélie GinaMarie Tennant,2021-02-26 Louis and Zélie Martin the parents of Saint Therese of Lisieux were the first married couple ever canonized together by the Catholic Church This inspiring story begins in their childhoods and follows them through their joys as well as their sorrows Louis the son of a French army officer had desired to be a priest Instead he became a watchmaker happy to remain single in service of God and neighbor Zélie had thought about becoming a religious sister but she became an expert lace maker and started her own company doubtful she would ever marry Then one day they passed each other on a bridge The Martins married and welcomed nine children five of whom lived to adulthood and became religious sisters Their household was full of love which extended sometimes heroically to many others outside their family including the needy and the enemy soldiers quartered in their home during the Franco Prussian War The secret to their unfailing love was their boundless faith in God All the challenges the Martins faced great and small were met with a profound trust in Divine Providence Louis Horst Janet Mansfield Soares,1992 At the center of this story is Horst's relationship with Martha Graham who was his intimate for decades I did everything for Martha Horst said late in life Indeed as her lover ally and lifelong confidante he worked with such conviction to make her the undisputed dance leader in the concert world that Graham herself would later remark Without him I could not have achieved anything I have done Drawing on the conversation and writings of Horst and his colleagues Janet Mansfield Soares reveals the inner workings of this passionate commitment and places it firmly in the context of dance history Louis Armstrong Laurence Bergreen,2012-08-08 Louis Armstrong was the founding father of jazz and one of this century's towering cultural figures yet the full story of his extravagant life has never been told Born in 1901 to the sixteen year old daughter of a slave he came of age among the prostitutes pimps and rag and bone merchants of New Orleans He married four times and enjoyed countless romantic involvements in and around his marriages A believer in marijuana for the head and laxatives for the bowels he was also a prolific diarist and correspondent a devoted friend to celebrities from Bing Crosby to Ella Fitzgerald a perceptive social observer and in his later years an international goodwill ambassador And of course he was a dazzling musician From the bordellos and honky tonks of Storyville New Orleans's red light district to the upscale nightclubs in Chicago New York and Hollywood Armstrong's stunning playing gravelly voice and irrepressible personality captivated audiences and critics alike Recognized and beloved wherever he went he nonetheless managed to remain vigorously himself Now Laurence Bergreen's remarkable book brings to life the passionate courageous and charismatic figure who forever changed the face of American music The Letters of Robert Louis Stevenson Robert Louis Stevenson,1917 The Works of Robert Louis Stevenson Robert Louis Stevenson,1895
