Radiance and Symbolism in Modern Stained Glass Liana De Girolami Cheney,2016-02-08 This book focuses on the aesthetic symbolic and cultural concepts of radiance and beauty in stained glass in modern art global exchanges between stained glass artists in Europe and the Americas and the transformation of stained glass from religious decoration to secular material culture Unique features of the book include its geographic breadth encompassing England France Italy USA and Mexico and its inclusion of American female glassmakers Essays consider how stained glass became an art form during this time and show how the narrative for the figurative design drew from the Bible mythology history literature and the symbolism of the time including popular culture such as ecology and materiality Written for students and the general public interested in the humanities literature history art history and new media and popular culture this book examines the visual beauty and symbolism of stained glass windows in Europe and American cultures during the late nineteenth and early twentieth centuries the modern era **The Art of Glass** Victor Arwas,1996 Published to coincide with a major exhibition Examines in depth the historical background of each designer and firm their styles and techniques This introduction to the most innovative period of goth century glass making was published to coincide with The Art of Glass Art Nouveau to Art Deco exhibition at the Sunderland Museum and Art Gallery The fascinating history of art glass in this Period begins in the 1880 s with the precursors to Art Nouveau follows the creations of Galle Daum and Muller Freres It continues with the development of opalescent frosted and clear molded glass especially Lalique Art Deco functionalism Orrefors and English and Scottish glass But it is above all the glass itself beautifully reproduced in full color that brings to life one of the most exciting and creative periods in the history of art glass [When Church Became Theatre](#) Jeanne Halgren Kilde,2005 This text focuses on the shift in evangelical Protestant architecture in the 1880s and links it to changes in worship style and religious mission It focuses on how these buildings helped congregations negotiate social and personal power **Glass** Dwight P. Lanmon,1993 This volume in a series of sixteen that features the more than two thousand works of art in the Robert Lehman Collection at The Metropolitan Museum of Art focuses on the art of glass Metropolitan Museum of Art website [Union Catalog of Clemens Letters](#) Paul Machlis,1986-01-01 [Architecture](#) Henry-Russell Hitchcock,1987-01-01 This book examines a period which is far more than a prelude to the age of steel and concrete The first half century culminated in the bold iron and glass of the Crystal Palace There follows the creation of the modern styles of the era based on traditions of the past and finally in the 20th century Art Nouveau and the modern architects in their generations Perret Wright Gropius Corbusier Mies van der Rohe and others in many parts of the world *Hotel Mavens: Volume 2* Stanley Turkel CMHS,2018-07-21 My long time preoccupation with hotel history reveals one continuous strand the achievements of unique entrepreneurs who created singular hotels one at a time These pioneers were not by subsequent definition hotel men They did not attend hotel schools

because there were none until 1924 with the creation of the Cornell School of Hotel Administration Most of them did not grew up in the hotel business but became successful because of their varied on the job training experiences business acumen and unexpected opportunities Their tradition breaking vision and single minded ambition led them to create iconic hotels My research has uncovered three such hotel mavers two of whom 1 were both essentially in the railroad and steamship business 2 were friendly competitors 3 concentrated their hotel creations in the State of Florida Henry Morrison Flagler on the east coast and Henry Bradley Plant on the west coast The third maven was Carl Graham Fisher who created Miami Beach and Montauk Long Island N Y

Rethinking Design and Interiors Shashi Caan, 2011-08-22 The world and the people living in it are increasingly and rapidly being affected by environmental and technological changes It is imperative that the design profession addresses these developments with a new way of thinking This book points the way for the design of interiors in this newly complex world and will be indispensable for students practitioners and theoreticians The book is divided into four chapters that explore aspects of the human experience of the interior from man s earliest search for shelter to an outline of past and current thinking on design psychology and well being An epilogue looks at such future concerns as population growth and sustainability and suggests how the design profession can confront these challenges Rethinking Design and Interiors is a fascinating exploration of how art and science can come together for the benefit of those who inhabit the built environment
