No Love Lost Wuteh Vakunta, 2008-11-15 No Love Lost is a tale of troubled times in which the storyteller strives to return to wholesomeness a society whose values have jumped the rail Set in the No Man's Land of Ongola the novel unravels

the corruption and influence peddling endemic in this African country Framed around the travails of an unemployed university graduate the story is the gripping depiction of one man s vendetta against a society at odds with itself Among others the novel explores the themes of identity crisis political gerrymandering individual and collective greed love and marriage and class exploitation to weave an enduring tapestry of great human interest Written against the backdrop of nascent neo colonialism No Love Lost combines the traditional and the modern the private and the public to demonstrate that the quest for truth and justice behooves all and sundry The author infuses the narrative with oral traditions to capture the reader s attention in a compelling style This is a refreshing work by a writer whose heart throbs for his people and their plight

Catalog of Copyright Entries Library of Congress. Copyright Office,1961 The Expibasketics and Intrigues of Love Fossungu, Peter Ateh-Afac,2016-09-01 Using expibasketical theory and findings this book attempts to understand and explain some of the wonders of love and the impacts these have on the other human institutions such as marriage and family that are supposed to be erected on love and understanding Love is a phenomenon that is hard to correctly master most probably because it is loaded with a lot of uncertainties This simple fact must be the reason behind the commonplace saying that love is blind a statement that can have several interpretations one of which being that it is hard to read or know exactly what is on the other party s mind Love thus becomes not only an intriguing feeling but also potentially full of intrigues Can love be so blind to realities and still be love The book answers many of such queries by expanding and delineating the frontiers of love and thence marriage and family

Consensual Fictions Wendy S. Jones, 2005-12-15 In eighteenth and nineteenth century England consensual marriages became increasingly popular according to women a contractual subjectivity in which the liberal ideal of individual choice was key Representations of consensual marriage thus provide a firm grounding for the re-evaluation of women's place within society Because this new progressive form of marriage was based on emotion rather than considerations of status or money it challenged the hierarchical status quo of English society that the traditional patriarchal marriage had upheld This phenomenon shows how necessary it is to historicize evaluations of political theory while the relationship between liberalism and feminism is fiercely debated today it was the foundation for radical feminism and social change from early modern times through much of the twentieth century In *Consensual Fictions* Wendy S. Jones focuses on the English novel of the period to explore the relationship between married love classic liberal thought and novelistic form Jones argues that these works of fiction use the multiplot form to explore the specific set of cultural problems associated with the ways in which liberalism reconceived marriage love and gender by exploring alternative resolutions to cultural problems through different narrative lines

Lacan on Love Bruce Fink, 2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide-ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in-depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions

Love, Power, and Gender in Seventeenth-Century French Fairy Tales Bronwyn Reddan, 2020-12 Bronwyn Reddan challenges the idealization of fairy tale romance as the ultimate happy ending by showing how the women writers who dominated the first French fairy tale vogue the conteuses used the genre to critique the power dynamics of courtship and marriage
