With the Collaboration of Jeanetta Lyle Menninger** Karl Augustus Menninger, 1942 **Love Against Hate** Karl Menninger, 1945 Individuality and Ideology in British Object Relations Theory Gal Gerson, 2021-05-09 Following the work of prominent object relations theorists such as Fairbairn Suttie and Winnicott Gal Gerson explores the correlation between analytical theory and intellectual environment in two ways He notes the impact that the British object relations school had on both psychology and wider culture and suggests that the school's outlook involved more than a clinical choice Gerson first interprets the object relations model as a political theory that completes a certain internal development within liberalism He later outlines the relationship between the analytical theory and the historical setting in which it formed and took root By engaging with these questions Gerson demonstrates the deeper structure and implications of object relation theory for social philosophy This allows him to answer questions such as What kind of social arrangements do we endorse when we accept object relations theory as a fair description of mind What beliefs about power individuality and household structure do we take in What do we give up when doing so and lastly What does it say about contemporary advanced societies that they have taken in much of the theory's content Proposing a novel rethinking of human nature Individuality and Ideology in British Object Relations Theory provides much needed insight into how this school of psychoanalytic theory has impacted contemporary social and political life

The Creation of Faith Juan Mascaró, 1999 From the great translator of the Bhagavad Gita Penguin an intensely personal work leading to Faith and understanding of the human condition **Preaching Liberation** James H. Harris, For all preachers who take seriously the church's role as a catalyst of social and spiritual transformation James Harris advocates the salient features of liberation preaching especially as exemplified in black church settings
