Keith Miller, 2011-11-22 A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction In this fresh new look at codependence Pia Mellody traces the origins of this illness back to childhood describing a whole range of emotional spiritual intellectual physical and sexual abuses Because of these earlier

experiences codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence Central to Melody's concept is the idea of the precious child that needs healing within each adult She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self help processes Designed to be used with her new workbook for codependents *Breaking Free* this is a powerful tool for understanding the nature of codependence **Love Addict** Ethlie Ann Vare, 2011-09 Neuroscience now shows us in living color thanks to PET scans and fMRI technology that falling in love affects our brains precisely the same way as snorting cocaine Award winning author and screenwriter Ethlie Ann Vare already knew that she's been addicted to both She survived to tell the tale with humor honesty and hope Just because something is addictive doesn't mean that you will get addicted to it But if your stomach ties up in knots while you count the seconds waiting for a phone call from that special someone if you hear a loud buzzing in your ears when you see a certain person's car or one just like it if your eyes burn when you hear a random love song or see a couple holding hands if you suffer the twin agonies of craving for and withdrawing from a series of unrequited crushes or toxic relationships if you always feel like you're clutching at someone's ankle and dragged across the floor as they try to leave the room welcome to the club With a light touch and a sharp wit Ethlie has enlisted some famous love junkies including supermodel Amber Smith movie star William McNamara and comedienne Margaret Cho and the top therapists and researchers in the field to help lead you from the dark of despair into the dawn of recovery Love and Addiction Stanton Peele, Archie Brodsky, 1975
