Love and Marriage in the Spirit Eberhard Arnold,1965 **Love After Marriage** Barry Byrne,Lori Byrne,2012-04-30
God intends marriages to be filled with love Why are so many faltering with distrust anger and contempt The authors of Love After Marriage believe that the Holy Spirit is ready to pour out healing and anointing on couples who seek God for themselves and their family Using the book s proven strategies based on the successful Love After Marriage workshops couples can bring an atmosphere of loving transparency and vulnerability into their relationship and develop a beautiful God designed intimacy that can last throughout their life together Couples will find clear teaching on God s perspective of marriage as well as methods for listening to the Holy Spirit and tools to develop the breakthroughs the Spirit brings to their marriage They will be refreshed by the knowledge marriage can be deeply enjoyable even if it is a little hard work **The Marriage Spirit** Evelyn Moschetta,Paul Moschetta,2000-05-24 Contributing editors to the renowned Ladies Home Journal column Can This Marriage Be Saved Drs Paul and Evelyn Moschetta draw on their twenty eight years of counseling and their own twenty five years together to reveal the secret to a happy enduring marriage In The Marriage Spirit they highlight the importance of spiritual intimacy in creating and maintaining love and passion and teach you how to rediscover the best in each other access your higher spiritual self create unquestioned trust heal hurt and defuse anger Encouraging readers to take responsibility for their own behavior when facing marital difficulties the authors offer practical guidelines for moving from roommates to soulmates by learning how to give and receive soul centered love **In the Spirit of Love** Ames,2009
Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames life Reading and reflecting on the words people will be deeply moved by the love the tenderness and the kindness in which God reaches out to all of us His words explain sometimes in mystical and deeply spiritual ways but always with simplicity the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church It is amazing that the almighty God would love mankind so much that He sent His only Son Jesus to suffer and die for us This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love **Marriage Spirituality** R. Paul Stevens,1989-12 **A Compendium of the Theological and Spiritual Writings of Emanuel Swedenborg** Emanuel Swedenborg,1853 *Sacred Marriage* Gary L. Thomas,2008-09-09 Your marriage is more than a sacred covenant with another person It is a spiritual discipline designed to help you know God better trust him more fully and love him more deeply Scores of books have been written that offer guidance for building the marriage of your dreams But what if God s primary intent for your marriage isn t to make you happy but holy And what if your relationship isn t as much about you and your spouse as it is about you and God Everything about your marriage everything is filled with prophetic potential with the capacity for discovering and revealing Christ s character The respect you accord your partner the forgiveness you humbly

seek and graciously extend the ecstasy awe and sheer fun of lovemaking the history you and your spouse build with one another in these and other facets of your marriage Sacred Marriage uncovers the mystery of God s overarching purpose This book may very well alter profoundly the contours of your marriage It will most certainly change you Because whether it is delightful or difficult your marriage can become a doorway to a closer walk with God and to a spiritual integrity that like salt seasons the world around you with the savor of Christ
