Love Beyond Reason Walter B. "Walt" Hofmann, 2016-06-10 Everyone loves a love story We all want to believe that we have value and that we are not alone We all want to know that someone loves us and that the sun rises and sets on us at least for somebody Such is the truth behind the Song of Solomon It is the most tender expression of Love Beyond Reason to be found anywhere in the world through any time for any generation This love is HOT as love has always been intended to be Its really not enough to say I am loved I am adored by Him and His love surpasses logic It is LOVE BEYOND REASON I am captivated by the idea that the entirety of the Song of Solomon is about the mortal and the immortal forever joined in Holy passion her for Him and more importantly Him for her Let him kiss me with the kisses of his mouth for thy love is better than wine Draw me we will run after thee the king hath brought me into his chambers Song of Solomon 1 2 4 King James Version

Poems Those Times This God Believer Mitchell, 2010-06 In a world that is yet cold and without mercy and that is so full of despair and pain now comes a hope of healing that is transferable through the powerful words of this book In this impactful and life affirming book These Poems Those Times This God you ll take a inspirational journey through the life of a poet who documents and recounts the trying times of life that can easily crush us all if not then combated This referential book covers various topics of life such as Inspiration from God the state of our nation the state of the family the circle of love past hurts meeting future blessings religion versus relationship with God and praise and adoration for our creator in life The purpose of this book These Poems Those Times This God is to serve as a reference of truth and guidance for any man or woman boy or girl who then seeks direction when feeling misguided and to encourage the discouraged in life to yet keep their faith and trust in God For truly it s not about what a person has done or can do that then determines your future but rather how you respond to what they have done that then ultimately determines your fate Surviving Child Loss Rita J Setness, 2016-05-17

philosophers Soren Kierkegaard 1813 1855 and Jean Paul Sartre 1905 1980 According to Dr Reed addiction is usually the result of existential or life conditions rather than underlying physiological problems Therefore it may involve not only drugs or alcohol but also relationships belief systems activities and even emotional states Anything that can serve to deflect ones consciousness from reflectively apprehending the task of becoming oneself can serve as an object of addiction If the object is another person one might ask whether in fact addiction can masquerade as love Is it possible to believe that you are in love with someone when in fact you are merely addicted to him or her In this creative and provocative work Reed argues that Sartres theory of love is in fact a theory of addiction
