My Voice I feel the tattoos on my back sting but I know that one more scar wouldn't change the memory it has left behind With no reason to live I feel ready to take that final step I rise from my spot and give my fingers a break I glance down at the tobacco leaves I have picked knowing I am not allowed to stop But why should I care I have no voice I serve no purpose I am just a slave I stand still looking in his eyes full of hate He whips out his weapon as I begin to walk away from my work area I never turn my head as he yells for me to turn back I keep marching at a steady pace until I

see beyond the fields a man of my kind with a voice a voice that is strong that is making others listen a voice that has power and speaks only for change This makes me turn around and sit back down knowing my voice wont take long to be heard
