Runic Amulets and Magic Objects Mindy MacLeod, Bernard Mees, 2006 A fresh examination of one of the most contentious issues in runic scholarship magical or not The runic alphabet in use for well over a thousand years was employed by various Germanic groups in a variety of ways including inevitably for superstitious and magical rites Formulaic runic words were inscribed onto small items that could be carried for good luck runic charms were carved on metal or wooden amulets to ensure peace or prosperity There are invocations and allusions to pagan and Christian gods and heroes to spirits of disease and even to potential lovers Few such texts are completely unique to Germanic society and in fact most of the runic amulets considered in this book show wide ranging parallels from a variety of European cultures The question of whether runes were magical or not has divided scholarship in the area Early criticism embraced fantastic notions of runic magic leading not just to a healthy scepticism but in some cases to a complete denial of any magical element whatsoever in the runic inscriptions This book seeks to re evaluate the whole question of runic sorcery attested to not only in the medieval Norse literature dealing with runes but primarily in the fascinating magical texts of the runic inscriptions themselves Dr MINDY MCLEOD teaches in the Department of Linguistics Deakin University Melbourne Dr BERNARD MEES teaches in the Department of History at the University of Melbourne

DEMOCRACY NEEDS TLC Craig L. Parker LPC LMFT, 2025-02-12 Democracy Needs TLC is interactive literature in the nonfiction genre What makes this book interactive literature is how the author uses his forty years of experience as a mental health counselor and marriage and

family therapist in its design to use various approaches and learning style tools to capture the reader's attention, curiosity, imagination, and understanding. The book is designed to provide information in ways that minimize defensiveness, maximizing the reader's ability to see, hear, do, and feel something better. The objective is to assist the reader by using the printed word, storytelling, graphic arts, personal surveys, handouts, worksheets, games, references to movie and literary works, music, and the like to experience the contents of this book. This book primarily addresses democracy from a Christian perspective to examine consideration of various poignant topics impacting democracy: the threat of autocracy and the Church's role to advocate for democratic principles, values that align with Christian doctrine. It is formatted to be read individually yet also could be used within small or large group settings, e.g., as a Bible study tool, book club's discussion material, or workshop for personal and/or Christian growth and development instrument. The book encourages honest discussion of the intersection of politics and religion, leading to better, deeper understanding of God and how to apply His word, will, and way in one's life individually and collectively via TLC. TLC goes beyond the normally used acronym for tender love and care to be expanded to such concepts as the love of Christ, truth, love, and Christ, trust, love, and commitment, the local church, and the living church, and truly loving Christians. Such concepts are presented in such a way to encourage non-Christian readers to attempt to understand and adapt the concepts to their worldview and/or spiritual belief system.

The Complete Lyrics of Alan Jay Lerner Dominic McHugh, Amy Asch, 2018-02-01 Alan Jay Lerner wrote the lyrics for some of the most beloved musicals in Broadway and Hollywood history. Most notably, with composer Frederick Loewe, he created enduring hits such as *My Fair Lady*, *Gigi*, *Camelot*, and *Brigadoon*. In *The Complete Lyrics of Alan Jay Lerner*, editors and annotators Dominic McHugh and Amy Asch bring all of Lerner's lyrics together for the first time, including numerous draft or alternate versions and songs cut from the shows. Compiled from dozens of archival collections, this invaluable resource and authoritative reference includes both Lerner's classic works and numerous discoveries, including his unproduced MGM movie *Huckleberry Finn*, selections from his college musicals, and lyrics from three different versions of *Paint Your Wagon*. This collection also includes extensive material from Lerner's two most ambitious musicals, *Love Life* (to music by Kurt Weill) and *1600 Pennsylvania Avenue*, which Lerner wrote with Leonard Bernstein.
