A Healing Journey Ron P. Pagel, 2010-03 Psalm 19 14 Let the words of my mouth and the meditation of my heart be acceptable in your sight O Lord my strength and my redeemer I cannot heal anyone none of us can I am His obedient instrument His servant His hands no words or wisdom or experience technique or method none of my own very limited knowledge no natural gifts beyond my humble heart to try to love His children as He does to see feel and hear their pain enough to intercede on their behalf See Matthew 5 the Beatitudes Christ Jesus called us to a life of holiness any brokenness or unrepented sin is a barrier that the enemy will use to keep us from that life of holiness Paul challenges us to be imitators of Christ through the Redemptive nature of Jesus He calls us the saints His sons Ron

Jeroboam's Wife Dr. Robin Gallaher Branch, 2018-04-24 Much has been written about prominent women of the Bible such as Sarah Ruth and Esther But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded Yet even while mute these women often played critical roles in the unfolding of God's plan at times signaling the emergence of great events In *Jeroboam's Wife* Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls Through her careful examination of the literary contours of the biblical narratives she highlights their

unique challenges and indelible contributions Drawing from contemporary biblical psychological and sociological scholarship Branch brings these women and their stories to life in fresh ways Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women s lives are still relevant **Triumph Over Darkness**

Wendy Ann Wood,2012-05-01 This collection of prose and therapeutic insights creates a powerful commentary on incest rape abuse and the recovery process Women and men share their personal experiences of childhood abuse and walk with the reader along the path toward wellness They reflect each stage of healing with a clarity that while often painful is also hopeful Addressing various aspects of abuse including ritualistic abuse multiple personality disorder and partnering as well as providing a therapist s insights on the stages of healing Triumph Over Darkness helps readers to understand recovery as a predictable process and see that healing is possible The Self on the Shelf Gary Greenberg,1994-08-04

The Self on the Shelf examines the cultural and philosophical determinants of popular recovery books Greenberg argues that this literature can be read as documents of the prevailing understanding of the self in American society The construction of the self promoted by recovery literature is seen as a nihilistic one insofar as it denies the significance of what continental philosophy calls the Other In this sense the self help books are correct in their assertion that we have lost sight of how to love but their proposed solution shows up as a recapitulation and strengthening of the conditions that gave rise to this situation in the first place Greenberg s critique provides a commentary on the difficulties that face our culture in achieving any sense of meaningful community and on the way that this problem surfaces in a highly popular discourse **Recovering from**
