and understanding He challenges other authorities who have written on the subject but he also agrees with many of them Love and Lust is civilized writing at its most provocative Reik is authoritative and his book reflects the glow of a rich personali

Marion, Love, and Nihilism Matthew C. Kruger, 2024-11-19 The foundation of this book is the work of Jean Luc Marion who writes at length about the problems of vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In Marion Love and Nihilism Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion s thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion s work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion s thought ends in world denial and thus fails find a complete answer to nihilism

The Metaphysics of Love Frederick D. Wilhelmsen, 1962 **Kierkegaard and the Problem of Self-Love** John Lippitt, 2013-04-25 The problem of whether we should love ourselves and if so how has particular resonance within Christian thought and is an important yet underinvestigated theme in the writings of S ren Kierkegaard In Works of Love Kierkegaard argues that the friendships and romantic relationships which we typically treasure most are often merely disguised forms of selfish self love Yet in this nuanced and subtle account John Lippitt shows that Kierkegaard also provides valuable resources for responding to the challenge of how we can love ourselves as well as others Lippitt relates what it means to love oneself properly to such topics as love of God and neighbour friendship romantic love self denial and self sacrifice trust hope and forgiveness The book engages in detail with Works of Love related Kierkegaard texts and important recent studies and also addresses a wealth of wider literature in ethics moral psychology and philosophy of religion
