Love Is The Healer:

Healer's Love David Hochhalter,2022-04-21 Avalon is at war with itself When Shakespeare wrote Whether tis nobler in the mind to suffer the slings and arrows of outrageous fortune or to take arms against a sea of troubles and by opposing end them He probably had a drawing of me as his muse I opened my mouth at the absolute wrong time and declared I was High Lady Petra Abara of Gawain Did I mean it Absolutely But words have power so no take backs especially since a reporter present Instead of spells and bullets this war is being fought in the streets with words If I am elevated two of the top three nobles in Avalon would be a woman The conservative faction in Chambers would like to plant me six feet under or failing that drop me into a ravine Since they can t do either they are trying to dig up as much dirt as they can about me then shout it in the streets No I don t dig up bodies in the middle of the night to experiment on them But yes I do experiment on dead bodies That s how healers learn But what is truth can wander through the grey and some people will believe what they want Balancing my life is becoming increasingly hard But at least I don t have a mad necromancer trying to hunt me down anymore Right The Petra books need to be read in the following order Book 1 Healer s Awakening Book 2 Healer s Journey Book 3 Healer s Love *A Healer'S Love* Dr. George Quarshie,2015-07-24 Dr Quarshie on his journey and quest for higher education in the field of medicine tries to depict the challenges faced by a majority of foreign students pursuing their careers abroad particularly in the pursuit of a career in medicine He intersperses these difficulties with the narration of the trials and fulfillment experienced whilst simultaneously raising a family With each turn of the page he takes his readers through the ups and downs of the trying but exciting journey and delights them by depicting the varying prominent personalities of the recent and not so recent past with their applicable quotes Dr Quarshie ends with a road map charting his plans for increased contribution to global medicine The setting is Wisconsin New York Georgia and Virginia in that order all in the United States The foundation of Dr Quarshies growth and education in Ghana is significantly portrayed **The Healer's Touch: An Exploration into the Deep Legacy of Healing Arts** Pasquale De Marco,2025-07-20 Embark on a transformative journey into the world of healing with The Healer s Touch An Exploration into the Deep Legacy of Healing Arts a comprehensive exploration of the art and science of restoring well being Within these pages you will discover a tapestry of ancient wisdom and modern insights unveiling the profound power of healing traditions from around the globe Delve into the depths of traditional healing practices where ancient healers utilized the healing power of nature herbs and spiritual rituals to restore balance and harmony to the mind body and spirit Explore the resurgence of holistic healing approaches that blend Eastern and Western philosophies emphasizing the interconnectedness of all aspects of our being Discover the profound impact of the mind on healing as we delve into the realm of mind body medicine Learn how stress emotions and beliefs influence our health and explore powerful techniques for harnessing the mind s innate healing abilities Discover the benefits of meditation mindfulness and guided imagery in promoting relaxation reducing stress and enhancing overall well being Unravel the
