Good & Truth: The Art of Spiritual Balance Clayten Tylor,2023-08-06 The idea of love hopefully includes romance sex and reciprocity Yet the archetypal idea of love brings a greater use into the love act and when that good use gets developed within each of us as individuals there is a greater chance of manifesting the outer riches we are seeking The Archetypal idea of love has a higher use besides manifesting in individuals as good use The goal is for it to build a permanent home in us Yet most times the body does not live a full life or long enough to achieve it An inner permanent home gets made from the affection of love in proportion that an individual dwells on it and hopes for it A good use would be using the affection of archetypal love to unite all levels of our being and to begin a new relationship from within Even the idea developed while you read this book is enough to attract the affections that cause our own spiritual regeneration We are reaching into the archetypal world where it all began looking to align ourselves inwardly spiritually equally to the feelings of love and acceptance that we are seeking outwardly Once we balance the inner with the outer the polarity of the body shifts to the center and the archetypal love as intuition restores our memory of what we truly are In that memory of ourselves a feeling radiates out from our body as big as the universe The mind begins to understand concepts of archetypal love We immediately comprehend that the more we enclose others in our affectionate love the more the good use can make a permanent home in our body When the inner center strengthens all mind chatter ends Every time we make ourselves feel as big as the universe we are filled with the memory of the One Self Yet each time we bring ourselves back to thinking of ourselves in a body we attract the pleasurable feeling of Conjugal love

Ostler,2016-04-26

Stupidity What is it Is it just something we see our neighbors and members of the opposite political party do Or is it something more Why does it seem to be so universal Are there fundamentals of stupidity that can be recognized These are the questions discussed in this book It presents six fundamentals of stupidity that lead to the stupid choices that we see all around us Included among these are the belief that there are no moral values that God does not exist and that it is acceptable to become addicted and to treat others badly and be proud In the end we see that the only sure way to avoid the fundamentals of stupidity is through the saving power of Jesus Christ *Books in Print Supplement* ,1984 Get to Know Yourself as a Woman Hilaria Petrus,2018-04-17 A womans strength is based on how to take care of the body that God gave you The body God made for you is both the place of your personal presence and a temple where the Holy Spirit lives within you Your body just like your soul is very holy Its a gift from God meant for you to offer back to him in glorifying him Its to encourage you not to let go and not let the pain overwhelm you Reach out to your pain with compassion to help others while yours is being taken cared of if you pray about it A womans strength is strength in terms of facing difficulties and hard times making you learn lessons about life without repeating them all the time making you stand tall and unmovable in your world making you overcome and win keeping in mind that whatever challenge points to the worlds brokenness in its fallen state and to Gods goodness as his powers are revealed through peoples weakness and showing you how to renew your relationship and improve your love life *Sound of the Crowd: a Discography of the '80s (Fourth Edition)* Steve Binnie,2018-11-05
