Morrissey,2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple yet deeply satisfying The key to this intimate self expression is prayer journaling By pouring her heart out on paper to God a woman can enjoy God s loving presence explore her purpose and passion appreciate life s beauty and answer its perplexities experience spiritual transformation and leave a permanent record of God s faithfulness in her life Love Letters to God is a woman s invitation to take a personal pilgrimage through her own sacred writings to the very heart of God DISCOVER THE WAY TO GOD S HEART Your holding an invitation in your hands an invitation to take a personal pilgrimage through your own sacred writings to the very heart of God If you re intimidated by praying aloud or easily distracted during your devotional time pouring your heart out on paper will give you the privacy and intimacy you need Inspired by these beautifully written reflections you ll find the most fulfilling way to enjoy God s loving presence explore your purpose and passion and leave a permanent record of His love and faithfulness in your life Find freedom healing hope and security as you share your deepest longings with the lover of your soul Story Behind the Book Writing one s prayers in a journal unlike verbal or silent prayers provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God Verbal prayers are soon forgotten but our love letters to God become a permanent place for exploring our hearts a tangible testimony of God s love and faithfulness in our lives and a detailed document of our spiritual journeys We can literally see the progression of changes in our lives as expressed on the pages of our soul our prayer journals and we can see God s answers to our prayers recorded there Like the psalmists many people have discovered that writing is the key to intimate self expression providing a deep emotional catharsis that is often missing from their verbal or silent prayers *Love Letters to God* Yvonne Annette' Stroud,2021-04-12 Relationships require nurturing in order to be strong No relationship requires more nurturing than our relationship with God God doesn t need to spend time with us to get to know us After all he is the all seeing all knowing ever present God However we need to spend quality time with God to get to know him In getting to know God we are strengthened encouraged and empowered Within the pages of this book you will find a journey that creates time for you to spend with God Daily reads and tasks are perfect for everyone even the busy The love letters have been strategically ordered by God and sectioned into three parts While they are my personal words to God read them as though they were coming from you Embrace the message in each letter In addition you will be asked to honestly reflect on your life in ways you might never have reflected Be true to yourself More importantly be true to God Finally each poem has a day set aside for you to meditate on God s Word and listen to what God is saying to you personally While reading straight through the book is tempting it is recommended you take each step one day at a time

God has designed this journey to be thirty six days for a reason Just as he took his time creating the earth in all its beauty God wants this time spent with him to establish a beauty he has designed especially for you All you have to do is open your heart to God as you travel Quote from the book No one does more for us than God Even when we forget about God he doesn't forget about us **Love Letters to God** Devon Spencer,Katherine Willis Pershey,2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends The authors hail from different backgrounds in faith family and life circumstances but find common ground in their devotion to Christ Christianity and each other The letters chronicle a year in the life of this friendship marked by fervent faith and bouts of unbelief suffering and rejoicing death loss and baptism and the sanctification of a friendship The tone is at once literary and personal peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends
