Love Lies Murder:

Love Lies: A True Story of Marriage and Murder in the Suburbs Amanda Lamb, 2015-09-22 A perfect life A perfect lie When Nancy Cooper moved from Canada to Cary North Carolina with her new husband Brad their future was bright living in one of the most picturesque towns in the US the couple mingled with neighbors attended parties and raised two daughters Then on July 14th 2008 the facade came crashing down when Nancy s strangled body was found in a storm pond Nancy s husband claimed that she had gone for a jog and never come back But as the police investigation deepened and as Brad was brought to trial for murdering his wife a complex web of affairs and lies was uncovered involving multiple residents of Cary s idyllic neighborhoods At the heart of it stood the Coopers soured marriage Nancy s threat to leave with the children and her own cold blooded murder It would take a mountain of damning evidence before justice was served **Love, Lies, and Murder** Leslie Wolfe, 2019-04-26 *Love Lies* Amanda Lamb, 2011 When 34 year old suburban wife and mother Nancy Cooper is found strangled to death in a ditch a few miles from her home her family will stop at nothing to prove that her controlling and manipulative husband Brad who had a violent dark side is responsible for her death Original Love, Lies, And Murder Gary C. King, 2014-11-20 The true crime story of a Tennessee lawyer who took his children on the run with him after killing his wife and a father in law who wanted justice A Wealthy Wife A successful lawyer Perry March married the beautiful daughter of one of the most powerful attorneys in Nashville Through his wife Janet Perry won a position in his father in law s firm and joined the city s social elite The couple raised two children in a mansion that Janet a talented artist designed They seemed to have the good life and more A Husband s Betrayal But in 1996 when Janet vanished police dug into Perry s past turning up strange stories of sexual obsession unfaithfulness and vicious arguments with Janet When they suspected that one of those fights ended in murder Perry skipped town with his children A Father s Vow for Justice Janet s father would not let Perry escape so easily He and his agents pursued the murder suspect to Chicago and then to Mexico where Perry opened a new practice and remarried Still ten years would pass before the desperate fugitive became trapped in his own web of deceit and betrayal Includes sixteen pages of revealing photos *No-Body Homicides* Mark Stobbe, 2023-05-05 *No Body Homicides* The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence Based on an examination of over 600 cases in the United States and Canada this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice For over 300 years murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim *No Body Homicides* provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim It explains why prosecutions were once extremely rare and how legal attitudinal and technical changes have made them more common The book also explores how the logic of no body homicide prosecutions differs from body present

homicides It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions For criminology students it provides fascinating insights into the process of investigating and prosecuting homicides as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims No Body Homicides will be of practical interest to police or prosecutors confronted with a missing person s case that could be sinister It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of True Crime

Darque who is working undercover But as Billie works to sort out what s going on behind the scenes and confronts dark truths about her own family she starts to feel like she s gone through the looking glass herself This chilling police procedural by the author of *The Magpie* finalist for the Lindisfarne Prize for Crime Fiction is a compelling tale filled with complex motives tangled mysteries and shocking surprises **Someone She Knew** Liston House,2011-10 One by one coeds at bucolic Hinsdale College are being sadistically murdered Veteran Ohio detective Ralph Burroughs had never seen anything like these ghastly crimes There are no clues except all the victims know their killer They go off with him to their deaths With great reluctance Burroughs allows Cassie Morgan a young psychologist to join the investigation She believes she can attract the killer for Burroughs to catch She does ID several suspects but the murders continue Burroughs and Cassie come to love each other deeply He worries constantly about her but believes he has taken every precaution to protect her Then as they lay a final trap for the killer Cassie disappears **100 Most Popular Contemporary Mystery Authors** Bernard A.

Rogers was dead Khruchenko was dead Only Sloane survived and the secret that was to have died with him in the little shop in Munich The defector had said that he could identify the mole the Soviet agent who sat on the Committee the group that ran the Agency That s what Khruchenko said but Sloane couldn t even be certain they existed But too much had gone wrong too many times for him to doubt that the mole was real And just maybe he knew who it was knew more than the code name Parsley But could he live long enough to do something with the information The mole was in a position to use both American and Russian agents to get at Sloane and he was taking advantage of that All Sloane had on his side was a vacationing political science instructor Freddie Falscape and a finely honed tradecraft Finally the woman was willing to help Now it was a matter of time *Mystery Women, Volume Three (Revised)* Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not

share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

BLOOD LUST Gary C. King, 2011-06-01 The 16 year old was lucky She at least survived her encounter with Dayton Leroy Rogers to detail its horrors But a long list of other women were not as fortunate Their stories had to be painstakingly pieced together by police from the corpses on the most shocking trail of terror ever left by a serial killer The Man Who Loved to Kill Women Dayton Leroy Rogers was known in Portland Oregon as a respected businessman and devoted husband and father But at night he abducted women forced them into sadistic bondage games and thrilled in their pain terror and mutilation His murderous spree was stopped only after in plain view he slashed to death his final victim and when a hunter accidentally stumbled onto the burial grounds of seven other women Rogers had killed one by one in the depths of the Molalla Forest did police realize they were dealing with a killer whose bloodlust knew no bounds This is the shocking true story of the horrifying crimes capture and conviction of Dayton Leroy Rogers Oregon s mild mannered businessman by day vicious serial killer by night
