

A pair of hands, rendered in a light gray, textured style, are shown from the palms up, holding a large, vibrant red heart. The heart is the central focus, and the hands are positioned around it, with fingers slightly curled. The background is a dark, solid color.

Love Life I Cor 13

W. Graham Scroggie

Love Life I Cor 13:

The Love Life W. Graham Scroggie, 1980 The theme of love from 1 Corinthians 13 is outlined expounded and applied

Love Gives Life Evan May, 2013-01-23 Love Gives Life A Study of 1 Corinthians 13 We are to pursue love as we seek spiritual gifts because love gives life to gifts and love outlives gifts That s Paul s main idea in 1 Corinthians 13 and this study will help you not only to see that in the text but to seek it in your life The thirteenth chapter of First Corinthians is about having a love strategy Paul relativizes what we tend to value most usually our personal distinctives and niches places love in central view and summons us to use every power and resource we have for the good of those whom God has placed in our lives This is the excellent way of love and it is worthy of our pursuit Here s what others are saying about this work If you re like me you have either heard or taught love from 1 Corinthians 13 You may even think that you have heard most if not all of the insights of 1 Corinthians 13 I did That is until I read Evan May s take on the text Evan brings us into Paul s thoughts in a clear and engaging way which is somewhat hard to do Not only that he brings clarity to the definition of love which has been hijacked and is now defined as undogmatic and untheological However love is very dogmatic and very theological In a world where social media has made us fall for the delusion that what makes us significant is mainly what causes us to stand out from everyone else rather than what helps us to serve everyone else what we all need now is a little bit of love properly understood that is Read this book Curtis Allen Rap artist Voice author of Education or Imitation Bible Interpretation for Dummies Like You and Me Evan May s Love Gives Life A Study of 1 Corinthians 13 is a good example of what Paul says in 1 Cor 14 26 Let all things be done for building up It is brief unpretentious but says what must be said to bring the message of the love chapter to the heart of the reader May has been personally moved by Paul s words and he wants to convey to us the same blessing he has found He has a wonderful gift for simple conversational writing with the most natural and appropriate illustrations He never assaults the reader but nurtures him gently so that we find ourselves growing in grace almost by surprise No academic trappings here but May s understanding of the passage is substantial I hope that many take the opportunity to learn from this book Dr John Frame Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of the Theology of Lordship series The apostle Paul told his dear friend Timothy with regard to Christian discipleship The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith That is love is the necessary consequence of the Gospel he preached Today that charge is unfortunately blanded by all manner of social and cultural influences reduced to the idea that love is somehow synonymous with quiet and unconditional acceptance My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love and why it actually changes the world The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing both kind and truthful both eternal and immediate I recommend this study without qualification and hope to see more from Evan in the future Frank

First Corinthians Raymond F. Collins,2016-03-18 2000 Catholic Press Association Award Winner One of the most exciting of Paul's letters 1 Corinthians offers a vantage point from which modern readers can reflect on diverseness in Christian Churches today In First Corinthians Raymond Collins explores that vantage point as well as the challenge Paul posed to the people of his time and continues to pose in ours to allow the gospel message to engage them in their daily lives Paul introduces us to a flesh and blood community whose humanness was all too apparent Sex death and money were among the issues they had to face Social conflicts and tension within their Christian community were part of their daily lives Paul uses all of his diplomacy rhetorical skill and authority to exhort the Corinthian community to be as one in Christ In examining Paul's message and method Collins approaches 1 Corinthians as a Hellenistic letter written to people dealing with real issues in the Hellenistic world He cites existing Hellenistic letters to show that Paul was truly a letter writer of his own times Collins makes frequent references to the writings of the philosophic moralists to help clarify the way in which Paul spoke to his beloved Corinthians He also comments on some aspects of the social circumstances in which the Christians of Corinth actually lived [The Grace of Life Is Our Inheritance](#) Estell,Dana S. Tzakis,2025-01-06 This book describes a true love story between a man and a woman with different religious and social backgrounds living on different continents who started as colleagues and friends and later fell in love and were united by God This book is a testimony describing God s providence which the couple experienced This book presents a fresh basis of scriptural teachings infused with everyday life in mind and focuses on marriage It teaches from the perspective based on the true meaning of the Greek word in the Bible for marriage Gamos explaining the difference between man s traditional marriage protocol and the marriage contract before God with scriptural proof live examples and testimonies and an up to date study of marriage and our responsibility before God This book was written to teach and comfort and give hope to all people that God is love and loves everyone the same despite different denominations and theories This book is also about trusting God to choose what is best for us because he is perfect Tzakis s goal is to help sharpen people s consciences and ability to discern the truth about the marriage contract before God to help today s and tomorrow s youth make a sincere choice based on Scripture **Arkansas Methodist** ,1917 **Tammie: a Love Story** Vinnie Venturella,2021-11-15 I ve always wanted to write a book for my wife Tammie I wanted it to be very special and truly capture her essence She loves God loves me loves our daughters loves her family and loves people To best capture that essence I chose to use various Bible

verses to articulate real lessons that she espouses Tammie is not perfect no one is However she has a near perfect heart and tries to be Christ like in everything she does These are actual lessons she has taught our daughters or me or that she has addressed with Meaghan and Sophia in everyday life or while doing devotionals with them Some of these are how I see Tammie or embody what she stands for or aspires to be I tried to use the expanse of the Bible for these lessons from both the Old Testament and the New Testament and you ll see representation from Psalms and from Proverbs I also tried to use the great women of the Bible to highlight these lessons including Abigail Deborah Elizabeth Esther Eve Hannah Mary Mary Magdalene Miriam Priscilla Rachel Ruth and Sarah I recommend reading the chapter or surrounding passages around the verse I use to fully appreciate the context of the lesson This is not a Bible Commentary and I do not attempt to give the reader the foundation for a Bible Study These verses have inspired these lessons even if the lessons seem secular The Letter to the Romans Emil Brunner,2002 Brunner sees St Paul s Epistle to the Romans as the chapter of destiny of the Christian Church Here in Luther s words is the purest gospel upon which the very existence of the Christian faith depends and from which it draws its life Concentrated decisive and instructive nothing within the New Testament is more closely argued both theological and personal Out of his years of scholarly wisdom Brunner meditates on the great Epistle and in his commentary elucidates the massive Pauline arguments which are the bed rock of Christian belief and Christian proclamation

The Transforming Fire of Divine Love John H. Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe **The Church School Journal** ,1880
