

A nighttime photograph of a city skyline, likely New York City, featuring several illuminated skyscrapers and a body of water in the foreground. The lights from the buildings reflect on the water, and the overall scene is dark with the city lights providing the primary illumination.

**If I don't drive round the park,
I'm pretty sure to make my mark.
If I'm in bed each night by ten,
I may get back my looks again,
If I abstain from fun and such,
I'll probably amount to much,
But I shall stay the way I am,
Because I do not give a damn.**

By Dorothy Parker
