Love Minus One And Other Stories:

Love Minus One & Other Stories Norma Harrs,1996-07-25 Whether we are eavesdropping on the imaginative Saturdays of a Portuguese cleaning lady or living through a divorced woman s search for the elusive orgasm Norma Harrs manages in this collection of short stories to absorb the essence of her narrator s psyche with the clarity of a good actress who gets under the very skin of her characters Love either the absence of or yearning for is the theme that links that stories in this collection together Love for a family member a friend a lover or a husband and sometimes that lack of reciprocity is the element that gives the stories poignancy and force The variety in these stories keeps the reader always guessing The author doesn t limit us to the easy answers but brilliantly provokes us to enlarge our own landscape *In a Canadian Canoe; The Nine Muses Minus One, and Other Stories* Barry Pain,2022-08-21 In *In a Canadian Canoe The Nine Muses Minus One and Other Stories* Barry Pain presents a rich tapestry of narratives that explore themes of adventure identity and the intricacies of human relationships Pain s distinctive literary style combines wit with vivid imagery creating an engaging backdrop for his stories that often capture the essence of the early 20th century literary context As a writer adept at situating his characters within both the natural landscape and social milieu his prose oscillates between humorous observations and poignant reflections providing readers with a multifaceted reading experience Barry Pain a prominent figure in the Victorian and Edwardian literary scenes cultivated his narrative techniques through diverse experiences as an essayist short story writer and poet Born in 1864 in England Pain s travels and encounters greatly influenced his literature His keen sensibility towards the absurdities of life and human foibles is palpable in this collection revealing the underlying complexities that drive his characters to embark on their journeys of self discovery This book is highly recommended for readers who appreciate literary explorations of the individual against the backdrop of broader societal themes Pain s stories will resonate with those drawn to the beauty of the written word and the depth of human emotion inviting readers to engage with both the humor and bittersweet truths of existence *In a Canadian Canoe, The Nine Muses Minus One, and Other Stories* Barry Pain,1891 [Where Dreams Have Gone](#) Norma Harrs,1997-10 Dreams vanish in most of the masterful stories that make up Norma Harrs s new collection A young Irish girl falls in love with an older married professor and has her first date with heartache a middle aged woman attends her niece s wedding and drunkenly surveys the wreck of her own life and love affairs a young woman admires her kind and beautiful neighbour so much that she is almost drawn into a not so innocent profession Adversity sometimes disaster befalls Norma Harrs s characters but instead of destroying these people it often miraculously enriches their existence bringing them a sudden awareness of what had been wrong with their lives and inspiring them to make a fresh start Ms Harrs seamlessly weaves together plot and evocative detail wildly funny turns of events and inconsolable sadness her stories earthy eroticism their startlingly vivid dialogue and above all their breathtakingly original rendering of suffering and joy will remain with the reader long after the final page *Canadian*
