Love Of Her Life:

Love and Death in Edith Wharton's Fiction Tricia M. Farwell, 2006 Original Scholarly Monograph *Love From Heaven* Lorna Byrne, 2017-02-14 Bestselling author and mystic Lorna Byrne teaches us how to have more compassion for both ourselves and others and to see all the love around us in this powerful and moving book perfect for fans of Louise Hay and Doreen Virtue Lorna Byrne an Irish mystic has been seeing angels since she was a baby but she sees even more than that In *Love from Heaven* she reveals for the first time that she sees love as a physical force Lorna first became conscious that the angels were teaching her about love when she was five years old and today she can see how love manifests in each of us She sees that newborn babies are full of pure love and that many teenagers and adults seem surrounded at the heart level by a transparent but ironlike band which restricts that love We are all pure love but nine out of ten of us have locked away most of this love within ourselves This love remains there though indestructible and ready to be released if only we can learn to love ourselves first *Love from Heaven* will transform the way you think about love stir up the love within and make you more compassionate leading to a happier life for you and those around you *Love Is a Story* Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely *Love is a Story* shows you how to find out *The Love Series Complete Box Set* Melissa Collins, 2015-04-21 The entire series is together for a limited time This box set includes the complete Love Series Let Love In Let Love Stay Let Love Heal Let Love Shine Let Love Be and Let Love Live From New Adult to M m Contemporary Romance there s something in here for everyone Laugh cry and fall in love with the couples of this bestselling series *Walking through Fire* Nawal El Saadawi, 2013-04-04 In *A Daughter of Isis* Nawal El Saadawi painted a beautifully textured portrait of the childhood that moulded her into a novelist and fearless campaigner for freedom and the rights of women *Walking through Fire* takes up the

story of her extraordinary life Famous for her novels short stories and writings on women Saadawi is known as the first Arab woman to have written about sex and its relation to economics and politics Imprisoned under Sadat for her opinions she has continued to fight against all forms of discrimination based on class gender nationality race or religion This autobiography shows the passion for justice that has shaped her life and her writing We read about her as a rural doctor trying to help a young girl escape from a terrible fate imposed on her by a brutal male tyranny We follow her attempts to set up women s organizations and to publish magazines later banned by the authorities or endangered by fundamentalist threats We travel with her into exile after the publication of her name on a death list We witness her first marriage to a freedom fighter hounded into drug addiction by a system that has no mercy We share her struggle against her false self and a second husband who offers her financial security and comfort provided she stops writing We live the beautiful moments of her third marriage with a man released after fourteen years of imprisonment and hard labour their love companionship and shared struggle Nawal El Saadawi has carved a place for herself in the universal struggle against oppression Words should not seek to please to hide the wounds in our bodies or the shameful moments in our lives she says They may hurt give us pain but they can also provoke us to question what we have accepted for thousands of years
