Love Organs A Novel:

Love Organs Bruce Walters,1997-03-01 *Love's Pilgrimage: A Novel* Upton Sinclair,2022-01-29 The Profits of Religion An Essay in Economic Interpretation is a nonfiction book first published in 1917 by the American novelist and muck raking journalist Upton Sinclair It is a snapshot of the religious movements in the U S before its entry into World War I **Dr. Susan Love's Breast Book** Susan M. Love,2015-09-08 The Bible for women with breast cancer New York Times For more than two decades readers faced with a diagnosis of breast cancer have relied on Dr Susan Love s Breast Book to guide them through the frightening thicket of research and opinion to find the best options for their particular situations This sixth edition explains advances in targeted treatments hormonal therapies safer chemotherapy and immunologic approaches as well as new forms of surgery and radiation There is extensive guidance for the many women now living for years with metastatic breast cancer With Dr Love s warm support readers can sort the facts from the fads ask the right questions and recognize when a second opinion might be wise *The Female Condition in the Novels of Gabonese Writer Sylvie Ntsame* Paschal Kyiiripuo Kyoore,2023-11-20 This book argues that Gabonese writer Sylvie Ntsame utilizes her novels to question certain patriarchal traditions and practices in African society such as polygyny that in certain contexts tend to silence the voice of the female Through engaging with feminist theories among other theoretical frameworks the author demonstrates how in some of Ntsame s novels the black female body is an object of voyeurism that reduces the women to eroticized exoticized Others The author further argues that Ntsame counters the dystopia of racism with a depiction of idealized love through an interracial relationship presented against the backdrop of stereotypes and myths that stifle such relationships Ntsame does this by going back to her cultural roots and calling for understanding between peoples of diverse ethnicities and cultures The book makes valuable contributions to the study of Gabonese women s writing in particular and African women s writing in general Forthcoming Books Rose Arny,1997-12 *Sex and the Short Story* Cumes Dr James,2013-04 A Sense Of Place Publishing is proud to include Dr James Cumes amongst its authors The publication of his sweeping essay on the evolution of Sex and the Short Story represents the first of what we hope will be many further contributions from this esteemed writer The book examines the evolution of the language such as when specific words first appeared in English dictionaries associated with sexual descriptions in novels and short stories pans across obscenity trials and looks with some amazement at the rapid evolution from prudishness to a point where almost anything goes It serves as a stand alone piece on the changing social mores and also serves as an introduction to subsequent volumes of Dr James Cumes short stories to be published by A Sense of Place Publishing These include Dirty Weekend and Life Is A Belly Dance He worked his way up the Australian Foreign Affairs Department and subsequently became a distinguished Australian Ambassador to the European Union after holding diplomatic posts including Ambassador and Head of Mission in Paris Geneva London Bonn and Berlin His career has also included acting as Australian representative to the United Nations and Governor on the Board of the

International Atomic Energy Agency Cumes is now working on two books of memoirs derived from his period as High Commissioner to Nigeria While his pursuit into erotica and the short story seems at odds with the official nature of much of James Cumes career and other writings his diversity of interests make him one of Australia s few truly Renaissance characters
