Mccrea, 2006-01-01 love romance true love wedding day heartfelt friendship unrequited love destiny de ja vu soulmate *Poems by Terri* Poetic Expressions by Terri, Terri L. Mccrea, 2006-01-01 love life recovery self discovery healing insight epiphanies destiny free spirit purpose Love Poems from Me to You Terri Ann Daniels, 2021-12-09 This is primarily a gift book meant to express the feelings of caring and loving one person has for another It is also universal in that it does not narrow the audience to one age or gender Also some people will buy this book to read it for themselves Several people have told me that they liked to read a few favorite verses before going to sleep at night An Army of Lovers David Buuck, Juliana Spahr, 2013-09-23 This experimental work is not for the faint of heart but it is laced with meditations that will appeal to readers concerned with poetry's role in the world Publishers Weekly I am fascinated by their attention to inequality to questions of violence and community something borne out by the collaboration itself Bhana Kapil's Best Books of 2013 on The Volta An Army of Lovers explores the liminal spaces where cities and individuals come together and stand apart with strange brainy grace Michelle Tea author of Mermaid in Chelsea Creek By means of a series of stylistically and tonally various prose segments by turns reflexive and dialogic ironic and depressive unhinged and hallucinatory wetly emotional and dryly wry including a detournement of a Raymond Carver story the book centers emotionally on the ebb and flow of what it calls struggle force Signature drone strikes torture ecological collapse environmental illness and chronic fatigue syndrome it's all connected Miranda Mellis Rain Taxi The book offers many ways of approaching the age old questions What makes something art and What makes someone a decent citizen as well as if not primarily exploring the ways in which the answers to these questions might intersect More impressively it does so without being didactic and yet without being obscure as so many efforts at high concept art tend to be Evan Karp SF Weekly Fantastical lyrical whimsical and wildly experimental An Army of Lovers is as serious as it is absurd Christopher Higgs HTMLGIANT This picaresque story about the particular lostness of poetry the ways poems always win and the lives of self described mediocre poets is actually pretty hilarious It's also smart incisive and politically astute Now to the barricades Rebecca Brown author of American Romances Essays An Army of Lovers begins with the story of two poets Demented Panda and Koki united in their desire to write politically engaged poetry at a time when poetry seems to have lost its ability to effect social change Their first project is more than a failure resulting in a spell that unleashes a torrent of raw sewage and surrealistic embodiments of consumerist excess and black site torture techniques Subsequent chapters feature an experimental composer Koki and a performance artist Panda whose bodies are literally invaded with the ills of capitalism manifested through leaking blisters and other maladies as well as a radical remix of a Raymond Carver story questioning What We Talk About When We Talk About Poetry The novel concludes with Panda and Koki returning to the site of their failed collaboration to conjure up a more utopian vision of an army of lovers Fantastical lyrical whimsical and wildly

experimental An Army of Lovers is as serious as it is absurd Love's Calendar, Lays of the Hudson, and other poems Charles Fenno Hoffman, 1850 A Rhetoric of Reflection Kathleen Yancey, 2016-08-15 Reflection in writing studies is now entering a third generation Dating from the 1970s the first generation of reflection focused on identifying and describing internal cognitive processes assumed to be part of composing The second generation operating in both classroom and assessment scenes in the 1990s developed mechanisms for externalizing reflection making it visible and thus explicitly available to help writers Now a third generation of work in reflection is emerging As mapped by the contributors to A Rhetoric of Reflection this iteration of research and practice is taking up new questions in new sites of activity and with new theories It comprises attention to transfer of writing knowledge and practice teaching and assessment portfolios linguistic and cultural difference and various media including print and digital It conceptualizes conversation as a primary reflective medium both inside and outside the classroom and for individuals and collectives and articulates the role that different genres play in hosting reflection Perhaps most important in the work of this third generation is the identification and increasing appreciation of the epistemic value of reflection of its ability to help make new meanings and of its rhetorical power for both scholars and students Contributors Anne Beaufort Kara Taczak Liane Robertson Michael Neal Heather Ostman Cathy Leaker Bruce Horner Asao B Inoue Tyler Richmond J Elizabeth Clark Naomi Silver Christina Russell McDonald Pamela Flash Kevin Roozen Jeff Sommers Doug Hesse **Flute of Milk** Susan Fealy, 2017 This is Susan Fealy's first full length collection of poems after years of publication in Australian and US journals and anthologies The collection is in two parts with each one interrogating love loss gender and aesthetics The poems refract these themes through personal experience as well as through a broader cultural lens Some of these works are direct responses to the act of reading literature The hallmark of this collection is precision with language these works are always present and vivid *The Dance* Vicki Williamson, 2003-11 The Dance is the much anticipated sequel to Allegiance It follows a very shy quiet and introverted Caleb Martin whose life is forever changed the day he meets the very warm friendly and outgoing Tiffany Curtis At first Caleb is not sure what to think of her but with time and patience Tiffany not only wins Caleb's trust but also his heart The couple eventually wed and life is perfect as one by one their dreams come true Just as the greatest of their dreams become a reality the unthinkable happens Weeks later Caleb is reeling from the loss of his wife and is left to raise his newborn son Simon alone Angry and broken from his loss Caleb is bound and determined to avoid his grief and to place all of his energies into raising his son However he learns through Simon how very lost and bitter he is and realizes the only way to heal is to deal with his greatest loss Soon Caleb is on the road to recovery though the process is slow and painful Will Caleb meet someone new to help heal his wounded heart Or will he forever remain devoted to the memory of his late wife *A Poetically Spoken Anthology* Soul Poets, 2011-04-25 This Book is an Anthology with a collection of Poets and Artist from around the World **Terri Lee** Peggy Wiedman Casper, 2001 Collectors will love this warm encyclopaedia guide to these
