More than a Monologue: Sexual Diversity and the Catholic Church J. Patrick Hornbeck II, Michael A. Norko, 2014-03-03 This volume like its companion *Voices of Our Times* collects essays drawn from a series of public conferences held in autumn 2011 entitled *More than a Monologue* The series was the fruit of collaboration among four institutions of higher learning two Catholic universities and two nondenominational divinity schools The conferences aimed to raise awareness of and advance informed compassionate and dialogical conversation about issues of sexual diversity within the Catholic community as well as in the broader civic worlds that the Catholic Church and Catholic people inhabit They generated fresh rich sets of scholarly and reflective contributions that promise to take forward the delicate work of theological ethical and ecclesial development Along with *Voices of Our Times* this volume captures insights from the conferences and aims to foster what the Jesuit Superior General Fr Adolfo Nicolas has called the depth of thought and imagination needed to engage effectively with complex realities especially in areas marked by brokenness pain and the need for healing The volumes will serve as vital resources for understanding and addressing better the too often fraught relations between LGBTQ lesbian gay bisexual transgender and queer persons their loved ones and allies and the Catholic community

Inquiry Thought and Expression explores dimensions of ministry ethics theology and law related to a range of LGBTQ concerns including Catholic teaching its reception among the faithful and the Roman Catholic Church's significant role in world societies Within the volume a series of essays on ministry explores various perspectives not frequently heard within the church Marriage equality and the treatment of LGBTQ individuals by and within the Roman Catholic Church are considered from the vantage points of law ethics and theology Themes of language and discourse are explored in analyses of the place of sexual diversity in church history thought and authority The two volumes of *More than a Monologue* like the conferences from which they developed actively move beyond the monologic voice of the institutional church on the subject of LGBTQ issues inviting and promoting open conversations about sexual diversity and the church Those who read *Inquiry Thought and Expression* will encounter not just an excellent resource for research and teaching in the area of moral theology but also an opportunity to actively listen to and engage in groundbreaking discussions about faith and sexuality within and outside the Catholic Church

Catholic Sexual Ethics William May, Ronald Lawler, Joseph Boyle, 2011-08-25 The authoritative work on

the Church's teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries. Since publication of the 2nd edition of *Catholic Sexual Ethics*, the philosophical landscape of human sexuality has dramatically changed. The rise of such concerns as moral relativism, the drive for same sex unions, and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching.

Sexual Ethics Todd A. Salzman, Michael G. Lawler, 2012-05-18

Two principles capture the essence of the Catholic tradition on sexual ethics: that each and every marriage act must remain open to the transmission of life, and that any human genital act must occur within the framework of marriage. In the Catholic tradition, moral sexual activity is institutionalized within the confines of marriage and procreation, and sexual morality is marital morality. But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition, especially since the Second Vatican Council. These developments include the shift from a primary static worldview to a historically conscious worldview, one that recognizes reality as dynamic, evolving, changing, and particular. By employing such a historically conscious worldview, alternative claims about the moral legitimacy of controversial topics such as contraception, artificial reproduction, and homosexual marriage can faithfully emerge within a Catholic context. Convinced of the central role that love, desire, and fertility play in a human life, and also in the life of Christian discipleship, the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing. This comprehensive introduction to Catholic sexual ethics, complete with thought provoking study questions at the end of each chapter, will be sure to stimulate dialogue about sexual morality between Catholic laity, theologians, and the hierarchy. Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book.

Joint Ventures M. D. Litonjua, 2012-10

Joint Venture is a term used in the business world to describe two or more business enterprises that join hands and consolidate their management operations and labor force to increase their productivity, to offer a more diversified array of products, to increase their profitability, and to be a more successful business enterprise in service to their employees and society at large. But it is not simply a matter of joining economic forces and resources. There has to be synergy, compatibility, and complementarity in corporate strengths and weaknesses, in corporate missions and cultures, in corporate objectives and strategies, such that the joint venture results in something greater than the mere sum of their parts. This is

true of joint ventures in the academic world Interdisciplinary studies are not mere combinations of academic courses They are or should be the mutual enrichment and mutual correction of disciplines They can be and are about expanding the horizons of a discipline beyond its narrow confines and or correcting the constricting assumptions values and prescriptions of doctrinaire theoretical viewpoints These have been the basic assumption and the goal the working framework and agenda behind the essays gathered here as they were in my earlier collections Critical Intersections 2006 and Creative Fractures 2011 In my teaching and writing I seek to bring to bear insights and perspectives from religious studies and the social sciences their critical intersections their creative fractures and their joint ventures to elucidate discussions controversies and explanations

Ethics and the Catechism of the Catholic Church Michael E. Allsopp, 1999 The essays in this volume are a commentary on the latest Catechism of the Catholic Church centering on its third part 1691-2557 the part that deals with moral questions and is entitled Life in Christ Their purpose is to highlight its moral teaching and make it more generally available and understandable by means of background analysis and explanation

Limits of Liberation Elina Vuola, 2002-09-19 How far are the real lives of millions of poor women really catered for in liberation and feminist theologies Vuola argues here that traditional liberation theology's notion of praxis as in L Boff and E Dussel is limited by its essentialist notion of poor and its neglect of the issue of poor women's reproductive rights Classical feminist theologies on the other hand are fraught with their own essentialist notions women's experience Both discourses are inadequate to deal with poor women's suffering widespread maternal mortality high rates of botched illegal abortions and an overall lack of reproductive rights As a response to this lack Vuola nurtures a form of Latin American feminist liberation theology that addresses directly the suffering and death of these millions of women
