The power of the dark goddess i call
Enhant me with a powerful thrall
In my mind a face appears
To my soul your heart adheres
Your eyes see only my eyes
Your love for others now dies
I command you now to think of me
In your mind i'm all you see
My face appears in all your dreams
My name is heard from all your screams
I bind your heart, your soul to me
Until I wish to set it free
From blood essence of the dove
I summon the command of your undying love
From the power of the devine
Your heart, your soul, your body, Is Mine!

Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit guide you on a righteous path Blessed Be Dayanara Blue Star Vodou Love Magic Kenaz Filan,2009-01-26 A working guide on how to find love and sexual fulfillment by working with the lwa the spirits of Haitian Vodou The first book on wanga love magic by an actual Vodou initiate Provides spells and spirit work for many different problems associated with affairs of the heart Spells included are detailed and easy to follow Haitian Vodou like other folk traditions is an eminently practical craft Vodou practitioners see their relationship with the lwa the spirits honored in Haitian Vodou as mutually beneficial rather than one sided In return for sincere offerings the lwa are happy to provide protection and support in dealing with life s problems which more often than not concern love In Vodou Love Magic Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships and who will likely offer the best wisdom for your needs If you are having trouble meeting people Legba s Opening the Door spell can resolve this difficulty If you wish more fire in a relationship then you should work

with the warrior spirit Papa Ogou Filan presents easy to follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships toxic behavior patterns like codependency or romantic triangles Vodou Love Magic does not provide a magic genie who will fulfill every wish but it does offer access to a team of spirits who can help transform dreams into realities
